#### Where's Ada?

Many students who are currently attending Ohio Northern University are still asking this question. This small town of approximately 5300 people is not exactly a tourist attraction. Ada is located in the Northwest end of the state and a few students okingly say that Ada's only claim to fame is the fact that it is spelled the same way forward and backward. However, a small town can have its advantages. The people of Ada are very friendly and are quite willing to help ONU students. Furthermore, students can walk about any place they need to go in Ada. Since the town is rather small, a few minutes walk will get them off campus and to their favorite night spot in downtown Ada.

#### McIntosh Center Programing Diversified

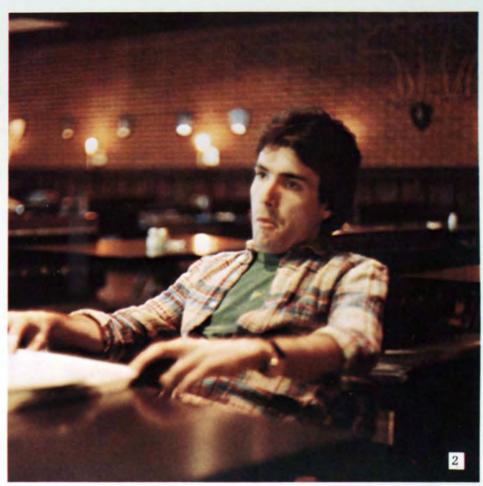

McIntosh Center plays host for many different activities. Even though the building is located near the middle of campus, its programming includes everything but middle of the road events. Inside McIntosh Center students have discussed poetry with the famous poet, Maxine Kumin, listened to the music of Elizabeth Cotten during National Black History Week, watched an all night comedy film festival, and even participated in a whale pull during Campus Chest. In addition to the special programming that occurs at this general building, McIntosh Center also houses the school cafeteria, the White Bear Inn, the College Bookstore, and the student operated Record Co-op.

#### Dorm Life

Almost every student has experienced dorm life and what each student remembers can be as varied as dorm life itself. Living in a dorm at ONU includes all the basic elements such as hall meetings, some studying, parties, and sleeping late on Saturday morning. However, special events make living in a dorm more enjoyable. These special events may include volleyball, talent shows, or a Christmas party. Furthermore, when events get a little slow, there are always a few residents willing to play a joke on some unsuspecting soul in order to liven the atmosphere.

#### In Touch

At Ohio Northern University students and Faculty are in touch. Because of the university's small size, faculty know their students. At ONU students are not just numbers. Through the personal attention a student receives at the model pharmacy or in response to a question in lab, the faculty are demonstrating their concern for a student.

## Waiter! err ... Dean?

Ever hear of a Dean serving coffee or buttering toast for students? During final's week of the fall quarter, many faculty and members of the administration served a midnight breakfast for students. The midnight breakfast is a good example of faculty involvement. College professors could be stereotyped as very impersonal beings. But, because of their involvement in student contact activities, most of the faculty and administration at ONU are well known. However, this creates one problem. When you really want that second cup of coffee, do you call for the waiter or the Dean?

## Up Close

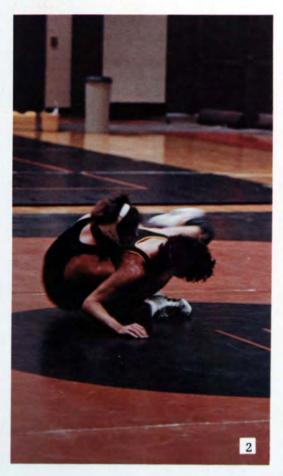

#### Participation

Participation is the key word with extracurricular activities at ONU. Students can occupy their free time with a wide variety of activities. The diversions from the academic world include everything from informal basketball games to varsity sports, greek life to hall parties, and computer games to cards. In order to participate in many events, membership in some special group is not necessary. The Campus Activities Board sponsors weekly events which are open to all students, and of course anyone can go as a spectator to college sports events. Therefore, students at ONU can and do participate in many activities.

### Students Beauty Dorm Rooms

Students have found the different ways of finding how to turn their dull, drab rooms into somewhere to live. As the sign in the residence life office says, "More than a place to sleep." So the dorm room is. It is also a place to study, to think, or to just listen to your favorite artist.

Some ways which the students make the dorms livable

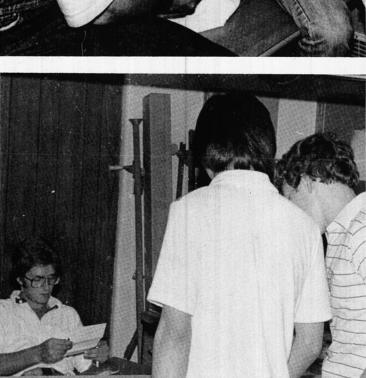

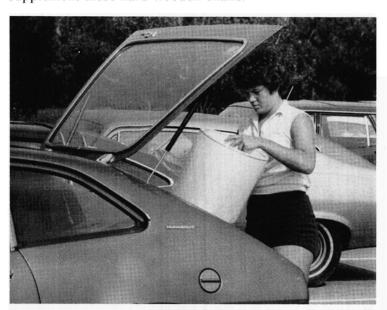

are rugs on the cold floors, dart boards and bulletin boards on the walls. The students also have posters of their favorite hero or heroes on the walls of the room.

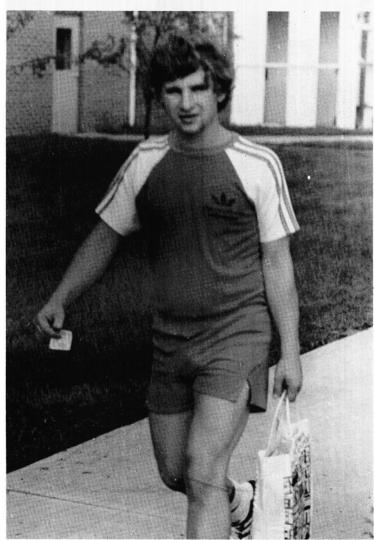

They also have steroes in the room to listen to your bestliked rock group, or a radio to listen to your favorite radio station, or even a television set to watch the programs that happen to interest you.

Other students make their rooms more livable by putting decorative murals or paint by numbers or sketches on the walls, Still others put bean bag chairs in their rooms to supplement those hard wooden chairs.

## Roommates Discover Differences

The differences between roommates can be very minimal or very diverse. One person may like the room to be "plain", that is, devoid of all posters, pennants, and other such things, and your roomate may be just the opposite. He (or she) may like the room all cluttered up with all sorts of stuff. Who knows what the average college students may bring to school with him to "make the room just a little bit" like the familiar room back home? It may

be anything like ...

Dartboards, stereos, television sets, radios, bulletin boards, black lighting systems, pictures from home, letters of your name, photos of your favorite movie, television star, or athlete. You may also have pennants from places that you have visited, such as Cedar Point, Kings Island, Riverfront Stadium, Ohio Stadium, or from any where else you can

think of.

To be successful you may have to compromise with your boss, or who is in charge. One of the elements of college life is to compromise with your roomate, or goodbye happiness.

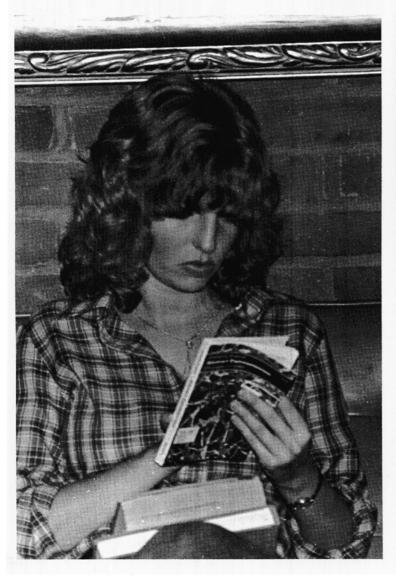

### SAGA SERVES ONU, Ada

Saga Food Service is the Ohio Northern University food dispenser on campus. The students on campus have a choice of the 20 meal plan or the optional 15 meal plan. If the student wishes to always eat in the cafeteria for all meals, he chooses the 20 meal plan. If the student wants to skip a few meals, he chooses the 15 meal plan. Students

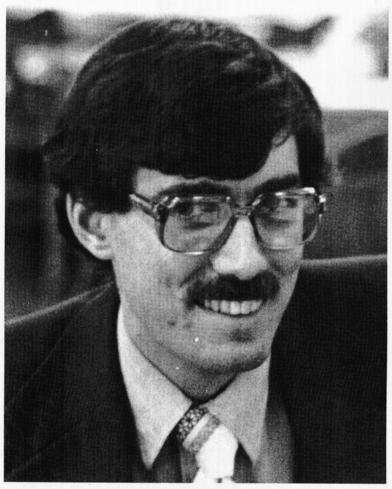

who live off campus and those who live in Greek houses are exempt from the plan.

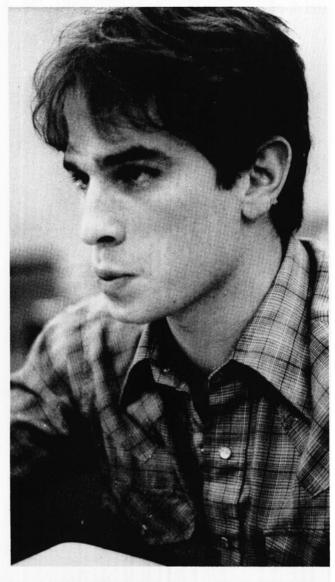

Saga serves the University community and also the city of Ada through the cafeteria, the Wishing Well, and the White Bear Inn. The Wishing Well serves the food in a buffet style, and is very popular with the administrators, the professors, and other visitors to the campus. The White Bear Inn is the local hamburger joint on campus. It is very popular with the students and faculty alike, and is inexpensive if you just want a snack.

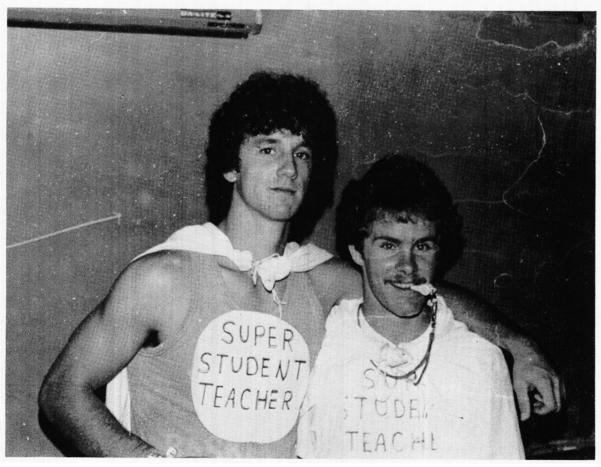

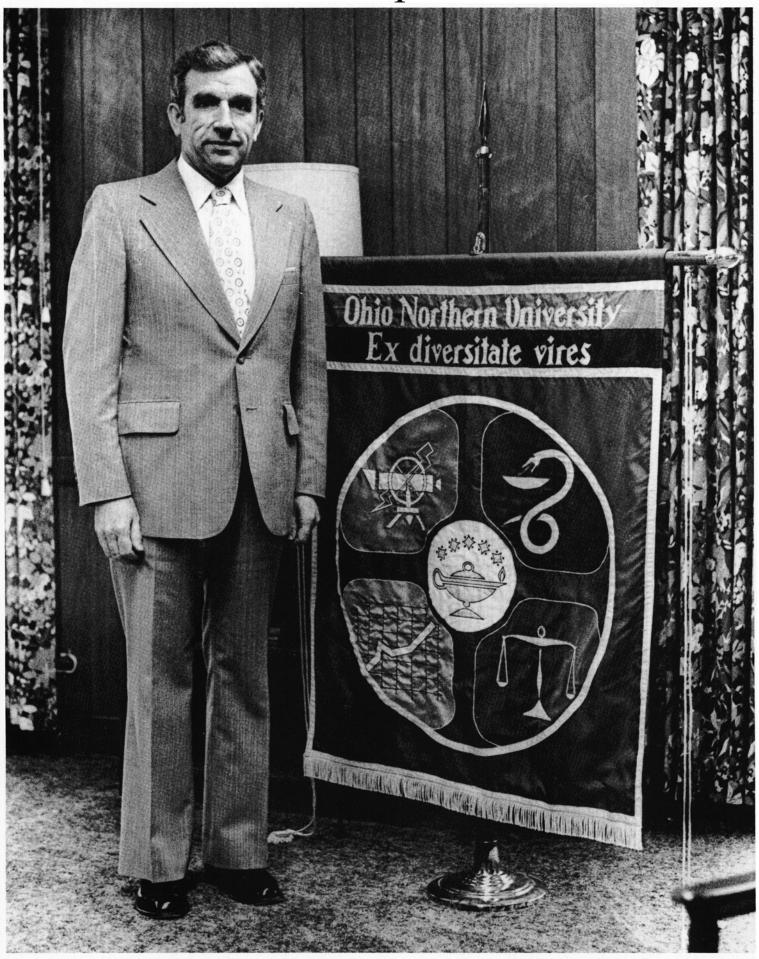

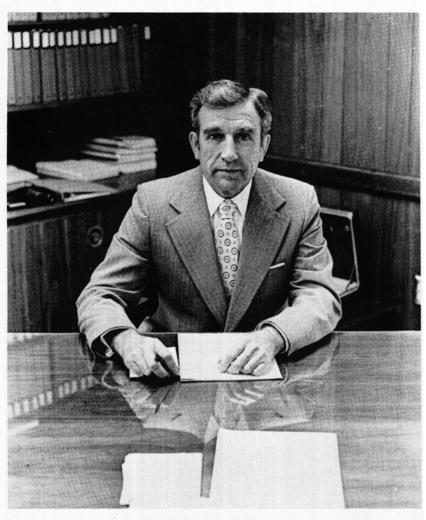

Search for new president ends

Dr. Freed seeks new ways to improve Northern's policies.

The resignation of ONU's former president, Dr. Ray B. Loeschner, was accepted during the trustee's meeting in May, 1979. Afterwards, a Presidential Selection Committee was formed to select a new president who had the qualifications to meet the expectations of the board. The committee consisted of the nine trustees, Jim Brown, Student Senate president; Chris Ward, Student Senate vice president; Dr. Kenneth Wildman, Faculty Senate president; George Miller, Faculty Senate vice president; and advisor, Dr., Novice Fawcett. The chairperson of the Board of Trustees was Dr. Walter English.

The search for the new president began with an advertisement that was placed in the June edition of the Chronicle of Higher Education. Through various contacts across the country, Methodist church officials were also notified of the open position. By the deadline on June 24, 80 applications were received by the committee. These applications, from as far west as Colorado.

Dr. Freed, attending a Student Senate meeting, is very concerned about student welfare at Northern.

### Freed named ONU president

were reviewed and the committee narrowed their field to eight prospective candidates. After several months of screening candidates and conducting interviews on and off campus, the selection committee chose three final candidates.

Within four months, on September 15, 1979, Walter English, chairman of the university's board of trustees, announced the selection of a new president at Ohio Northern University. The board unanimously chose Dr. DeBow Freed, former President of Monmouth College, to become the university's new president.

"In electing Dr. Freed, after a thorough and intense search and interview process," said Chairman English, "the Board is confident that this outstanding educator is the person best suited to guide Ohio Northern in the challenging years ahead." Dr. English continued, "the trustees, faculty members, students serving on the Presidental Selection Committee and the Presidential Search Advisory Committee have worked diligently to choose a person whose personal characteristics, experience, and vision bring the kind of leadership needed for ONU in the immediate future and in the years to come."

Dr. Freed, a native of Hendersonville and Gallatine, Tennessee, has boundless credentials and a personal history that will certainly enhance Northern. He is a 1946 graduate of the United States Military Academy, West Point, New York. Dr. Freed, age 54, holds a master's degree in nuclear science from the University of Kansas (1961), and the Ph.D. degree in nuclear science from the University of New Mexico (1965). He still has a special inter-

Dr. Freed and his wife appreciate the opportunity to serve the University.

est in teaching, and research and administration of nuclear energy. He has taught physics, nuclear engineering and has lectured on U.S. and foreign national security policy, political science and other related subjects. Dr. Freed has written a number of articles, reviews, and reports on educational and technical subjects. Another impressive fact is Dr. Freed's recognition by the US. government. He has on two occasions received the award

of Legion of Merit, and also has received the Legion of Honor from the government of Iran.

Dr. Freed's previous academic posts include being a professor in charge of the elective program and operations of the physics department at the West Point Academy in New York. He then moved to the vicinity of Alliance, Ohio, where he served as Dean of Mount Union College and where he was responsible for academic and stu-

Dr. Harold A. Bolz, interim president, greets Northern freshmen.

Dr. Harold A. Bolz served as interim president during ONU's "uneasy" period of time.

Dr. Freed feels that Northern has impressive academic facilities.

dent affairs,

Prior to accepting the presidential position at ONU, Dr. Freed served as president at Monmouth College in Monmouth, Illinois for five years. "Since he became president in 1974, the 127-year-old liberal arts college has been emphasizing its historic role as a strong church-related institution. During this period the college's traditional strength of good teaching has been heightened, enrollment has stabilized, and visiting accreditation teams have strongly endorsed the direction of institutional affairs. The College has operated with a balanced budget for the last four years, and giving has doubled since 1974. Assets have increased annually, and the campus has been made more attractive. A sense of community on campus has increased, with improved faculty and student morale,"

Dr. Freed's decision to become ONU's ninth president is a benefit to Northern, and the Board of Trustees is very confident that Dr. Freed is the person best suited to guide Ohio Northern through the challenging years in the future.

Responding to his appointment as president, Dr. Freed said, "Mrs. Freed and I are delighted to be joining the Ohio Northern University community. From our first contact we have been impressed with the dedication and loyalty to the University of the students, faculty, staff, and trustees whom we have met. I look forward with enthusiasm to my new responsibilities at Ohio Northern."

The initials CAB, do not stand for the Ohio Northern taxicab. They stand instead for the Campus Activities Board. This organization replaced the former Program Board as governing body for MacIntosh Center and also for the Ohio Northern campus. It is comprised of a director, a coordinator, and student volunteers.

Campus Activities Board

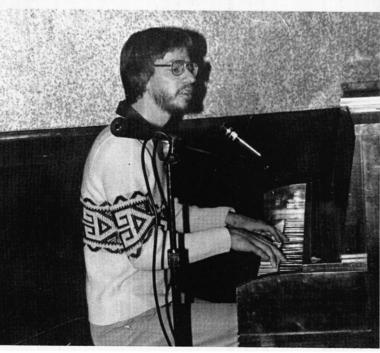

The members planned different activities for the student body to enjoy and to learn about other parts of the country through music and speakers. They also planned activities such as Christmas shopping in Toledo and Dayton. Also, CAB, together with Saga, held a combination supper and musical entertainment called "A Little Night Music." It was

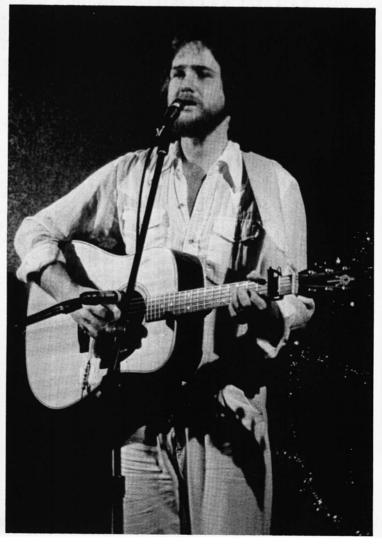

a very interesting evening.

The members also sponsored a couple "Open Mike Nights" where different members of the student body and faculty performed skits or comedy routines or just showed off their musical abilities.

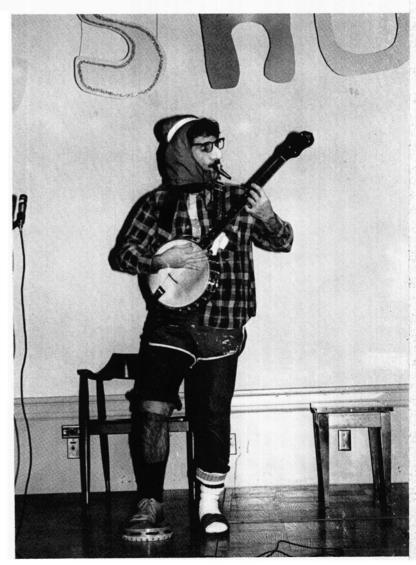

CAB also sponsored a Valentine's Day love letter mailing. The group also sponsored Clean Slate, a Canton-based rock group, which performed a number of "Top 40" hits. The band performed before an enthusiastic Lehr Audito-

rium crowd. This event was also co-sponsored by IFC. Cab also sponsored different types of movies to entertain the students. Some of the motion pictures were, "Oh GOD", starring John Denver and George Burns, and

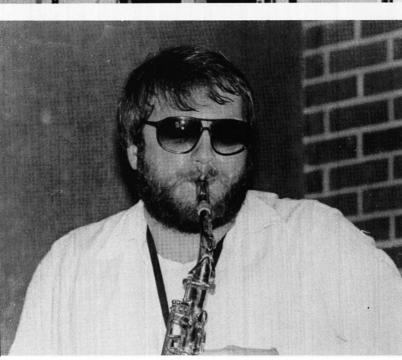

"Young Frankenstein", with Gene Wilder, Marty Feldman, and directed by Mel Brooks. Also shown were, "The Incredible Mr. Limpet", and several cartoons during the Little Siblings Weekend which was held March 22 and 23.

CAB, in conjunction with the university, held the Pure Prairie League concert. The long-awaited event was held April 18 at King-Horn Center. To promote the event, the Record Co-op held a sale of Pure Prairie League records.

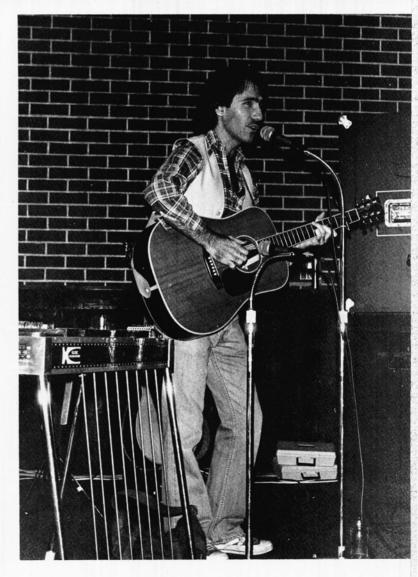

### CAB Sponsors Concerts

Campus Activities Board sponsored quite a few concerts this year. The concerts ranged from one man concerts to jazz concerts to local rock bands to the Pure Prairie League concert and the Dark Star concert. These concerts sometimes were held in conjunction with another group on campus and also solely by CAB. All in all, these concerts were well staged, and the student body enjoyed themselves immensely. The concerts were held in a variety of different places. A few of the concerts were held at Lehr

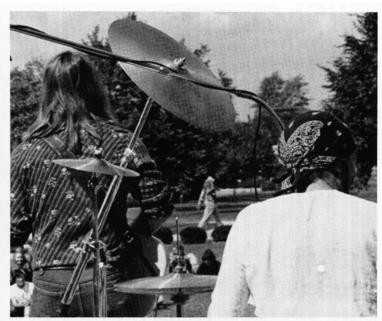

Auditorium, others at MacIntosh Center, and some on the lawn of MacIntosh. Still others were held in the activities room of MacIntosh. Quite a few were held in the Dead Bar, and the Pure Prairie League concert was staged at King Horn Center.

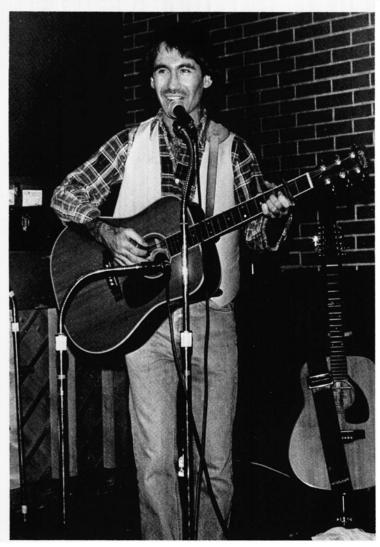

The concerts were a way for the Ohio Northern students to just enjoy themselves and take a much needed break from

their studies. They were generally well attended, with the Pure Prairie League concert being a complete sellout. Their purpose was just an opportunity for both the performers and the audience to express themselves through the songs that they sang, and the instrumental portions of the concerts also provided delightful entertainment. For the audience, it was a very good time, and also was a way to show their appreciation for the performers.

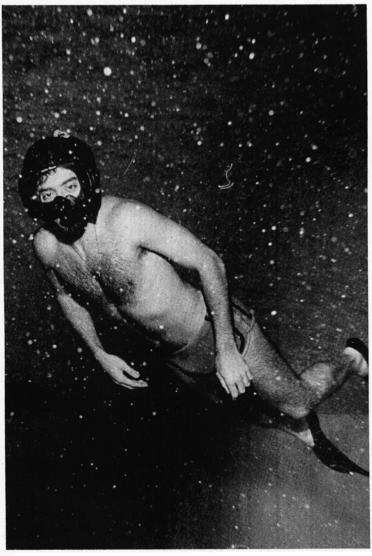

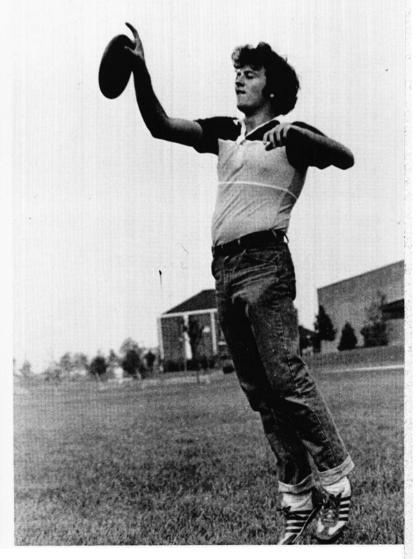

### Phys. Ed. Students Getting All Wet

Each student enrolled at Ohio Northern University must take three hours of physical education. The courses help the students enrolled know the basics of each game, and to participate to the extent of his or her abilities, and also to have fun while doing so.

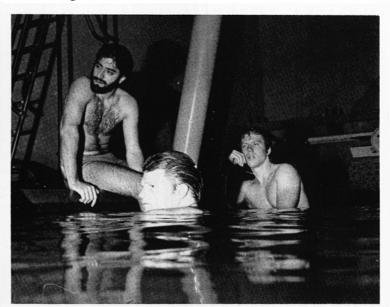

Some of the courses that students could take for phys ed credit are Social Dance, Archery, Badminton, Gymnastics, Beginning Tennis, Intermediate Tennis, Volleyball, Soccer and Softball, Recreational Games, Beginners Golf, Beginners Swimming, Billiards, Square and Folk Dance, Paddle

Sports, Weight Training and Physical Conditioning, Tumbling and Trampoline, Varsity Football, and other Varsity sports such as Cross Country, Soccer, Volleyball, Basketball, Tennis, Track, Golf, Softball, Baseball, Wrestling, and Swimming.

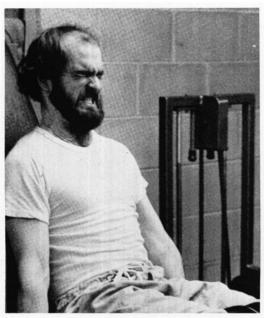

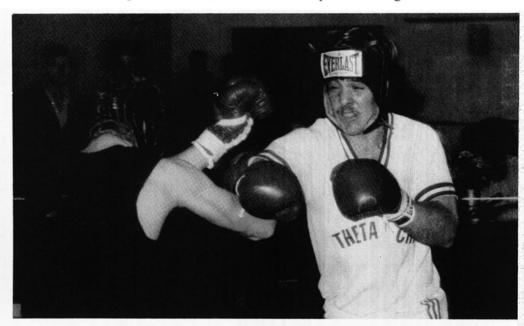

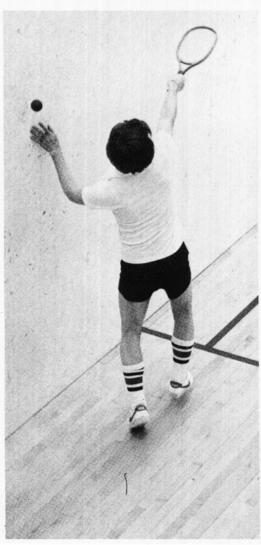

# More than Just playing the Game

### Phys Ed

In Phys Ed classes, you learn not only how to play the games involved in the class, but also you learn how the game evolved, and the techniques of the game. You also

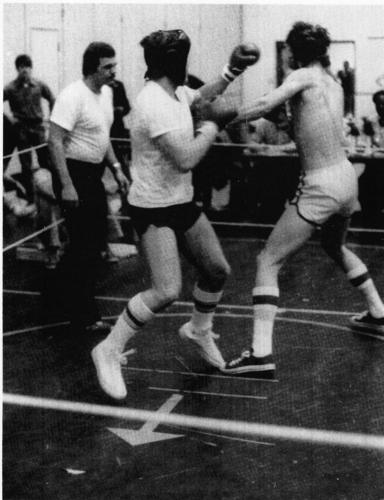

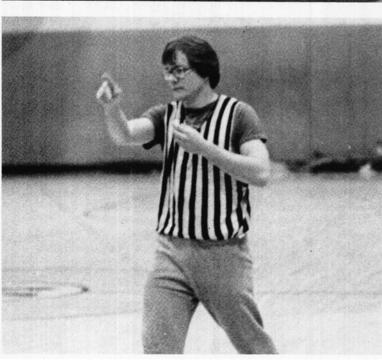

have the chance to make new friends, to experience the thrill of victory and, quite possibly, the agony of defeat. But, most of the time, you are in that class just to have fun.

In the different classes, there are different games that are

played. For instance, in Paddle Games, you learn how to play not only handball, but also table tennis, otherwise known as ping-pong. In Weight Training and Physical Conditioning you learn how to take care of your body through weight lifting and other body building techniques.

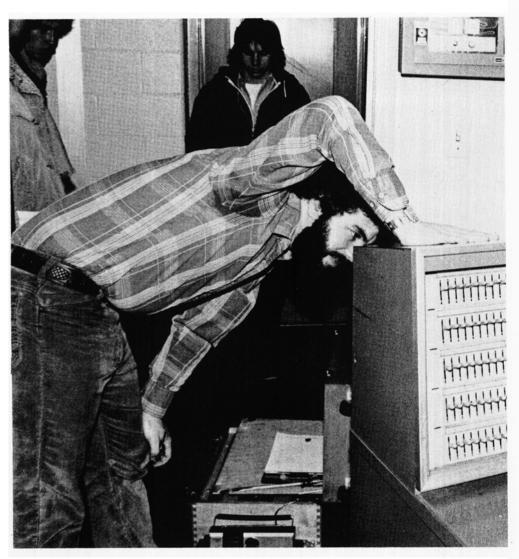

# WONU: The Station You Can Turn To

Students can expect to hear a lot from WONU, Northern's radio station of the future. There will be a variety of programs planned to appeal to the different interests of the students.

The idea for a radio station on campus has been a subject of discussion for many years, It was not until recently, however, that an ad hoc committee looked into the idea and expressed their interest to the Board of Trustees. Realizing that there was a real interest in having a radio station, the Board commissioned Dr. Wilhelm, vice president for academic affairs, to devise an ONU Radio Advisory Committee to study the feasibility of a radio station on the campus. Furthermore, this committee went through a professional management and consulting firm who then looked into Northern's facilities and gave advice on what could be done to build and maintain a radio station on campus. Afterwards, the firm's findings were reported to the Board of Trustees at their February board meeting, At that point, the Board approved the proposal for the radio station and allocated money for the construction and operation of the station.

Dan Reid was selected as the station manager by Nils Reiss, interim advisor for the radio station. Reid said that he did not anticipate any major problems in the organization and management of the station because he will be working with a competent staff. The management staff includes Dan Reid, station manager, Wendy Tiburski, program director, Ellen Schwartz, business manager/controller, Glen Sutton, chief engineer, Rich May, news director, Jack Jeffery, sports directer, Scott Griswold, music directer, John Kline, chief announcer, Rick Calich, sales directer, and John Taylor,

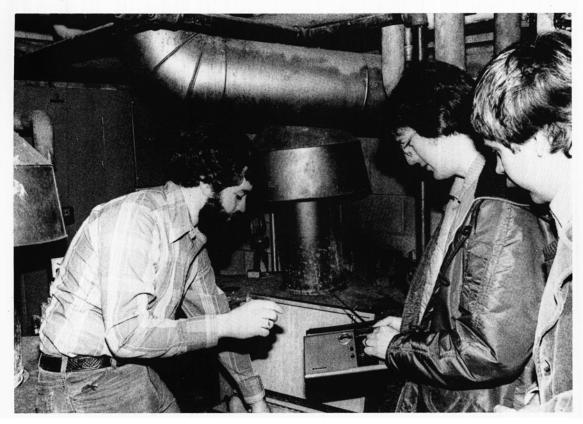

Dan Braverman, professional radio consultant, checks out the best possible location for a transmitter in Founders Hall.

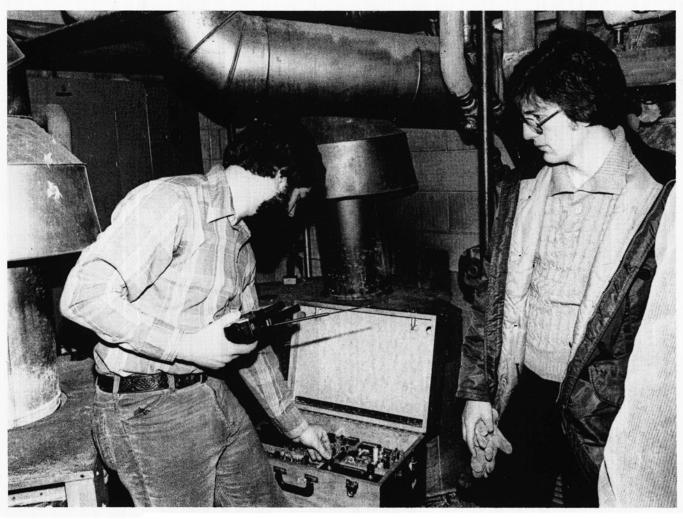

traffic/continuity directer. These students were selected by Reid and a group within the Radio Advisory Committee. According to Reid, the goal of the management staff is to please all the students on campus. He explained that if the staff aims at pleasing everyone, they will please more people, than if they adopted the attitude that they could not please everyone and shauld not make an attempt.

Reid also noted that Nils Reiss has been "instrumental in the success of the station so far," "Me has been a great source of advice and he has the student's interest in mind," he added.

Reid pointed out that the purpose of the station is not only to educate students, but also to entertain and inform students of upcoming events and activities on campus. WQNU is expected to be a success in the future,

Braverman, Bob Fitzgerald, Radio Advisory Committee representative, and Nils Reiss, test another location for a transmitter in the basement of Founders Hall.

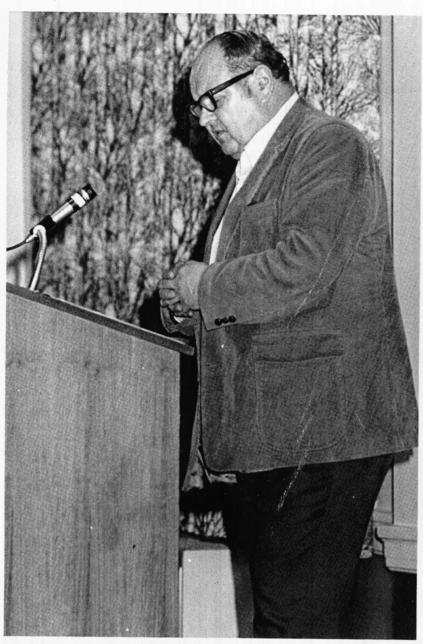

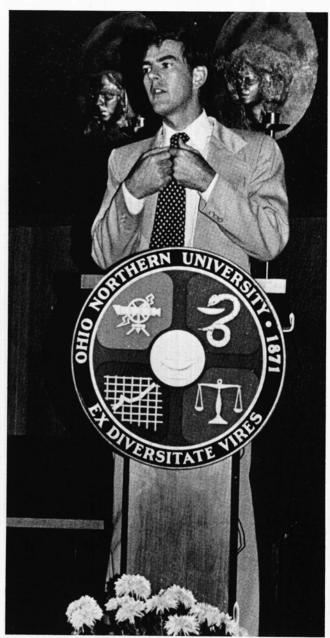

More work in testing is being done in the basement by Braverman and Fitzgerald.

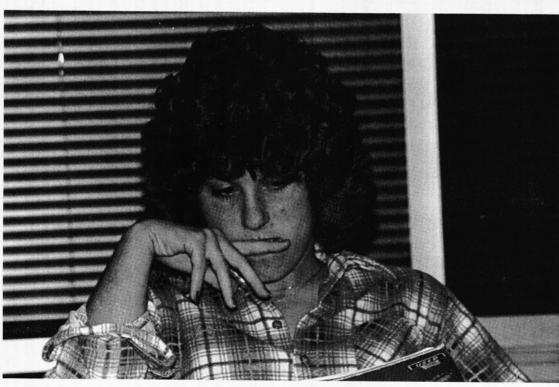

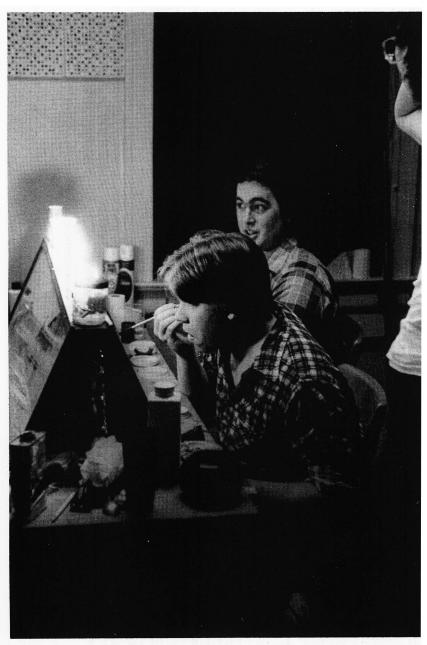

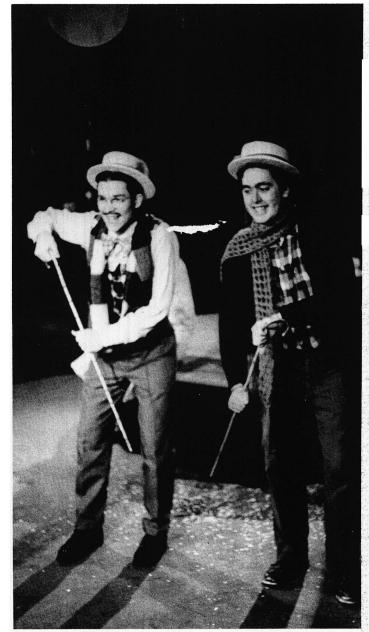

### Theatre At ONU

### Plays

The ONU theatre department presented three plays this school year. They were Endgame, The Fantasticks, and a William Shakesphere play that was transported out west. Its title was A Comedy of Errors. The plays were presented in Presser Hall Studio Theatre, and were very successful in

all ways, from audience reation and attendance, to newspaper reviews to the performers themselves.

The plays were carrying a simple message for all who came: sit back, relax, have fun, and just enjoy yourselves immensely. The plays helped both the audience and the

actors to get away from life for awhile and to feel the mood of each play.

They were all escapist plays, for they were not about real life situations, but they allowed us to escape from whatever was troubling us.

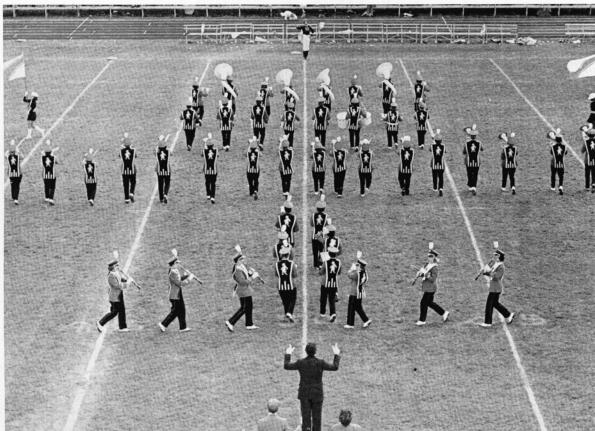

### Music Brightens ONU Campus

The ONU music department serves the campus community through its concerts, private lessons, recitals, and the various performing groups. Some of the groups are Marching Band, Concert Band, Symphonic Band, University Singers, Chorus, Brass Ensemble, Chapel Choir, String Ensemble, Vocal Jazz Ensemble (The Added Attraction), Orchestra and Flute Choir, and Pep Band.

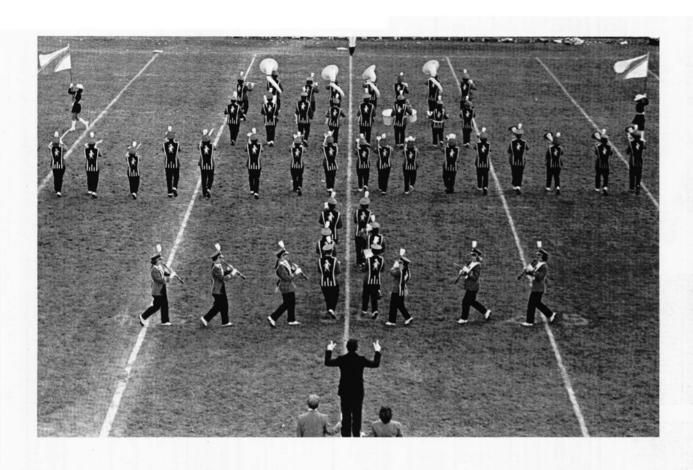

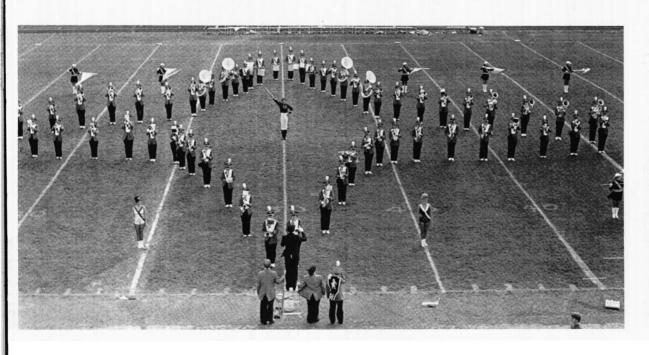

The Marching and Pep Bands were directed by Gary Sullivan, The Brass and Jazz Ensembles were conducted by Edwin Williams, the Concert Band and Woodwind Ensembles were directed by Dr. Alan Drake, the Symphonic Band also was directed by Dr. Drake, with assistance by Mr. Sullivan. The University Singers and The Added Attraction were conducted by Dennis Kratzer. Mr. Blair conducted the String Ensemble, while Judy Harrison

directed Chorus. The Percussion Ensemble was directed by Richard Sherrick, and the Chapel Choir was conducted by Dr. John Peterson. Finally, the Flute Choir was conducted by Lucy Hill.

Congratulations to all of the various performing groups on campus for a superb job this school year. Best of luck for next year.

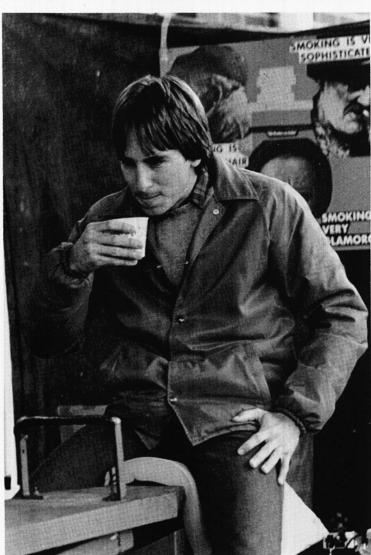

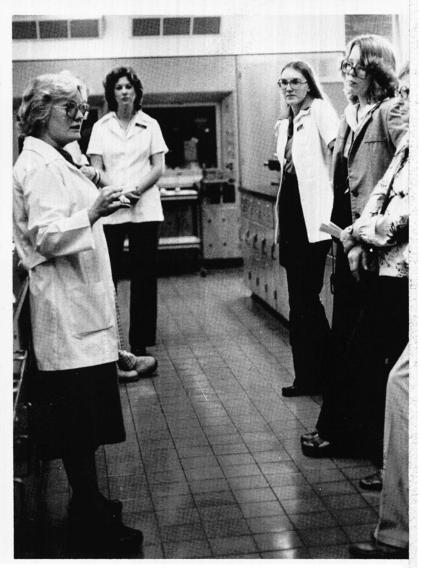

### Study Habits

Study habits of the students at Northern are as diverse as the people themselves. There are people who do not study at all, it seems, and receive all A's, and there are people who don't study at all and are just here for the parties. Other students have to study very, very, very hard to get as good grades as the so-called "brains".

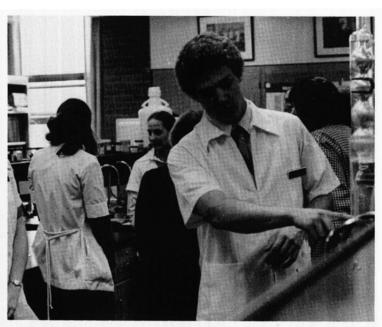

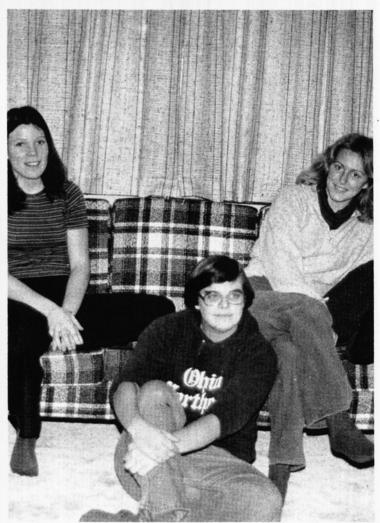

To be smart you first have to apply yourself to your books, not just to "get by". College professors expect more out of you than did high school teachers. There is no valid comparison between high school and college. The differences between the two are like comparing night and day. College is a lot tougher. It demands more studying time than high school ever did. There are some people who will

make it through four years of college at Northern, some who will transfer, some who will officially withdraw, and some who will just simply drop out of college. Certain people who are confused about their majors will change them once, or twice, or maybe even a total of three times. Who knows?

# Seasons Bring Change to ONU

Algorithm Algori

The seasons of the year are, of course, Fall, Autumn, Winter, Spring, and Summer. Each season has its own varying characteristics. For instance, Fall is a season of change. It bridges Summer, and also Winter. The main characteristics of the season are leaves falling from the trees, the raking of leaves, the beautiful sight of leaves falling from the different trees, and also, the leaves changing colors from green to any color under the rainbow that

you could imagine. The season is also noted for a gradual temperature drop from 60's and low 70's in early September to 20's, 30's and low 40's in early November. Also, late in the season, you may find your first snowfall. Turning to Winter . . .

Winter is one of the most beautiful seasons of the year. This season is noted for Snow, plenty of it. The first

snowfall is particully nice, because of the uniqueness. This is the time of snow shovels, clearing of driveways, blizzards (sometimes), snowmen, snow forts, snow angels, tunnels, snowball fights, all types of winter clothing, such as mittens, gloves, hats, long underwear, lined coats and jackets, ski caps, boots, snow pants, and other such clothes. It is also the season for hot chocolate and marshmallows, and Christmas Vacation.

### Spring Brings Change

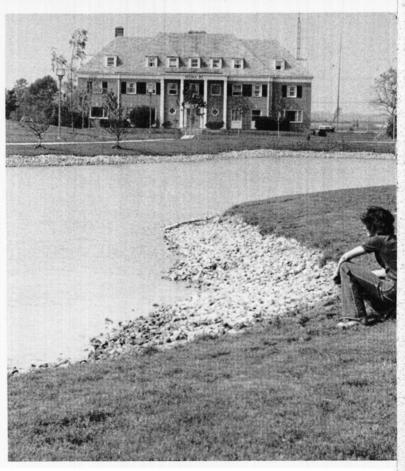

Spring is a season of change. It is the "buffer" season between Winter and Summer. It contrasts the bitter cold of winter and the steamy hotness of summer. It's a very rainy season, and it is the very lethal season of tornadoes, which can destroy buildings, roads, but most of all human lives. Spring's temperatures are rude. One day is very hot, and the next day can be bitterly cold. It is also the last

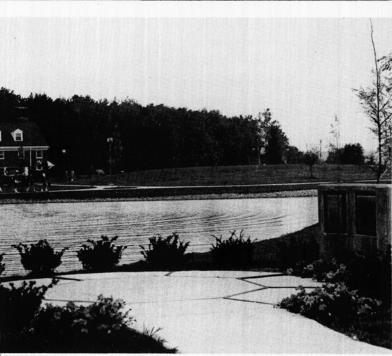

quarter in the year. The only problem with spring, besides the weather, is the wait for summer . . .

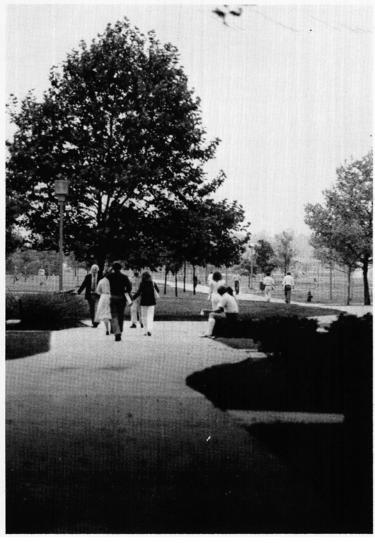

Summer is many things for many people. For some it is a much needed vacation from college; for others it's a means to get to college. For still others, it means summer school. The weather in the summer season can mean only one

thing: heat, heat, and more heat. Sometimes there is a respite of much needed rain, but not very often. Some activities that you may want to work at are swimming, diving, baseball, softball, golf, jogging, tennis, loafing around the house, odd jobs like lawn mowing, paper delivery, janitorial work, and doing housework.

#### Hand in Hand

Guest speakers James Rose and Bishop Perry sit with President Freed at banquet,

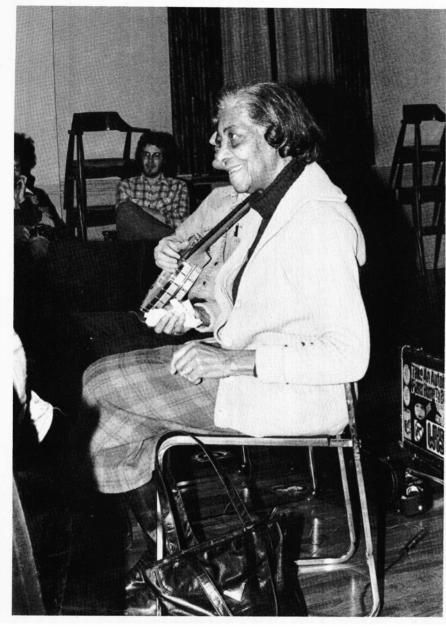

"Hand in Hand" was chosen as the theme of Black History Week (February 3-8, 1980) by the Concerned Black Students (CBS). Under their president Beverly Mack, CBS planned a week of events in which the Black students tried to stress an awareness of cultural views that are an important part of their race.

Mack said that Black History Week should have displayed a moment in time during which everyone focused on the meaning of Black people and their history. Also, it was hoped that the student body and the faculty would examine their judgments concerning ideas and views of Black students rather than engaging in sterotyping.

As a whole, Mack feels that the student body enjoyed most of the events. It was a different approach from what

Mrs. Freed listens attentively to CBS President Bev Mack at banquet.

Elizabeth Cotton listens as other musicians play their instruments.

most of the students were familiar with simply because they were not exposed to this type of programming in the past. However, compared to the participation in most of the special events given on ONU campus, Black History Week worked out very well. "A lot of compliments were given on a day to day basis and also after the week finished its course," Mack observed.

The week was highlighted by the performance of folk singers Elizabeth Cotton and Mike Seeger. People enjoyed their performances and the atmosphere was very relaxed. Another highlight during the week was the guest speaker at the Black History Week Banquet, James Rose. He is the author of Black Genesis and is the foremost authority on ethnic geneology. Rose presented a fascinating lecture and workshop on geneology and the techniques all ethnic groups can use to trace their family trees.

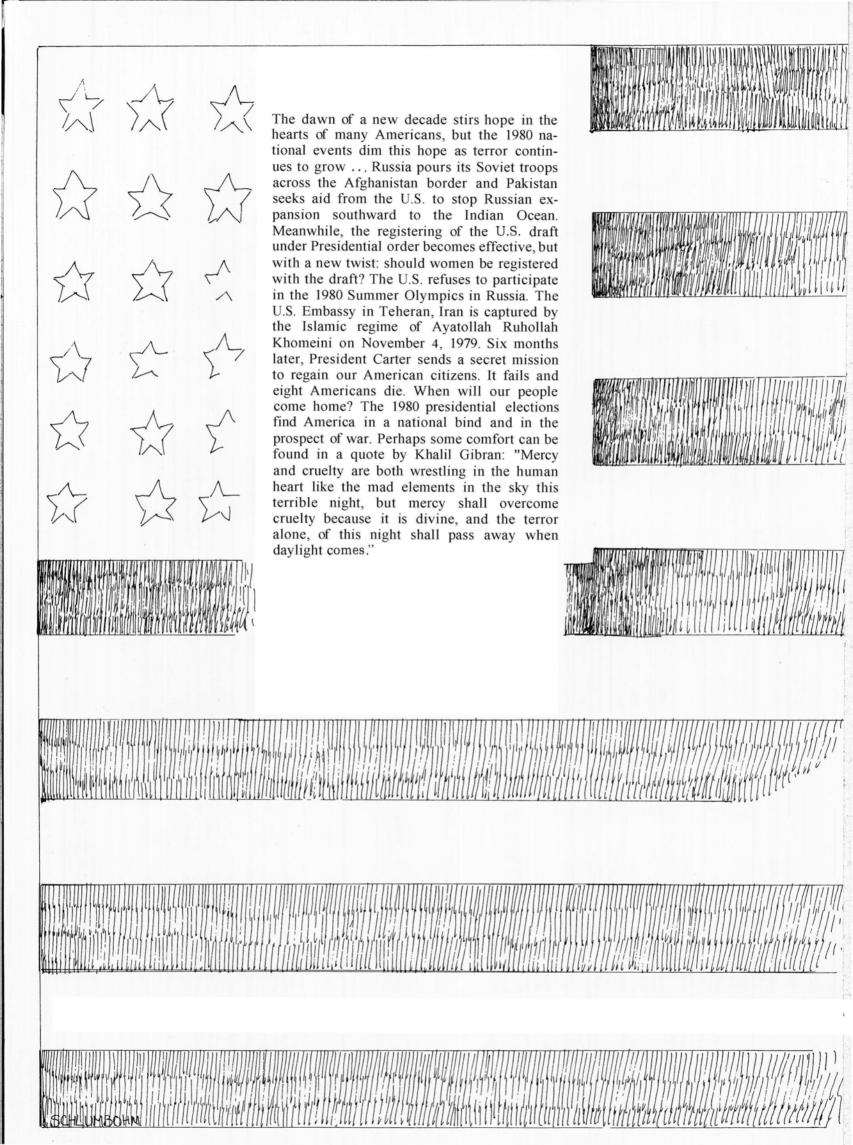

The main goal of CBS is to provide an opportunity for all students to become involved in activities which pertain both to culture and education at Ohio Northern University. The role of CBS reflects a minority group trying to provide activities for themselves as well as other students on campus. It is through group cooperation that we (the students of ONU) will be able to walk "Hand in Hand" in the future.

Mike Seeger plays his banjo with other musicians in "jam session".

Greeks

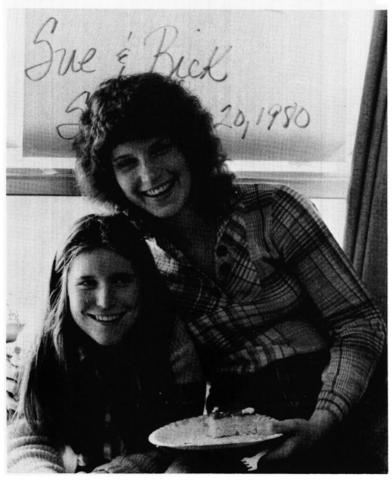

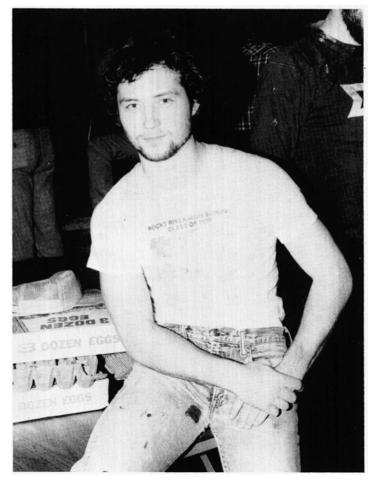

#### Just Look Around ...

Just look around and one notices evidence of Greek life everywhere at ONU and in Ada. Regardless of the time or season, Greek letters are exhibited daily as each Greek proudly displays his or her symbols. Throughout the dorms, around campus, and even in "downtown" Ada, one can hear the tunes of Greeks' songs echoing all around. These are just two of the ways that Greeks let everyone know that they are a part of ONU's life. Lively parties at the frat houses, spur-of-the-moment water-fights, and fun-filled (3) pranks are other ways.

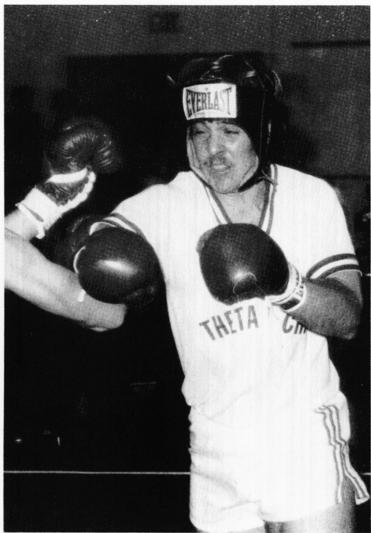

Though it may look like it, Greek life is not all fun and games: each Greek has responsibilities to his house, whether it involves rushing or serving on one of the many committees or holding an office. In addition, many Greeks san be found involved in all aspects of campus life, serving in both positions of leadership and as club members. Greeks work hard all year sponsoring marathons and such for philanthropies and performing other service projects.

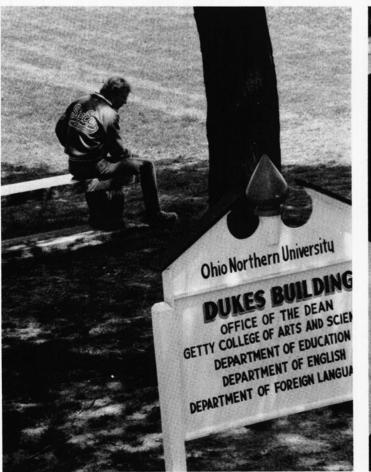

All in all, Greeks tend to make life at ONU a little more interesting; the past year was no exception and proved rewarding to each Greek at ONU.

1979-80 marked another eventful year for the brothers of Alpha Epsilon Pi. The schoolyear saw many house improvements including a new T.V. room. The little sis program remained quite strong and was officially installed during the year.

Several brothers participated in O.N.U. sports such as football, basketball, baseball, and track. Special recognition was brought to Brother Pat Koester as he was named "All-American" in basketball. On the intramural side, the "Apes" were quite successful as they were basketball and softball champs.

Spring Quarter was highlighted by formal which was held at Hueston Woods. The "Apes" elected Sara Wranik as their new sweetheart.

#### Alpha Omicron Pi

(Identification Unavailable)

The 1979-80 schoolyear proved quite successful for the Kappa Pi chapter of Alpha Omicron Pi with the initiation of twenty-three new sisters. AOII's were active in many student organizations including Student Senate, Pan-Hel, theatre productions, varsity sports, intramurals, Lil' Sis programs, and numerous honoraries.

Fall Quarter marked the third annual AOII-STE Haunted House philanthropic'project; the AOII's share of the proceeds were donated to the Arthritis Foundation. Annual events of Winter Quarter included the Delt Wine and Cheese party and the Winter Rose Formal, which was held at the Holiday Inn in Perrysburg. The new sweetheart, Scott Syler, was recognized at that time. Participation in Campus Chest proved worthwhile as once again, the AOII Jail was one of the highest revenue booths of the carnival.

One of the highlights of the schoolyear was Greek Week. The AOII's took first place in the KY Car Rally and had a remarkable performance in the PMD Talent Show. To close the week, Patti Tarrant was voted the 1980 Greek Week Queen. The annual AOII Parents' Day and Senior Banquet brought the year to a close.

The brothers of Alpha Sigma Phi enjoyed an eventful school year. Once again, ONU felt the presence of Sigs on many interscholastic teams, especially football. Brother Steve Barney, the current president, received special baseball league honors, both career and season, for stealing bases.

Spring Quarter proved to be successful for ONU's Sigs. Hosting the Alpha Sigma Phi State Conclave highlighted the quarter; in addition, the IFC All-Sports trophy returned to the Sigs after a year's absence. For the first time, the Sigs captured first place in the PMD Talent Show during Greek Week. Several Sigs received recognition at the annual Senior Banquet: Rob Coll was named Greek Scholar; Dude McGarry, Greek Athlete; and Don Mathie, Greek Man of the Year.

The Sigs elected Sharon Stanek as their sweetheart; Sharon later was named National Alpha Sigma Phi Sweetheart.

#### Alpha Xi Delta

ROW 1: Lori Ramsdell, Pat Sorokas, Marilyn Van Winkle, Julie Maul. Sandy Hizney, Terry Ubbing, JoAnn Steel, Pam Alter. ROW 2: Karen Hillegass, Kim Woodruff, Kerrie Kelley, Carol Helmick, Sally Brooks, Wendy Tiburski, Melosie Segraves. ROW 3: Sandy Tienty, Sue Maslowski, Diane Thilke, Sue Pawlak, Jo Lynn Evans, Julie Kiggins, Deb Paisley. ROW 4: Ellen Griffith, Sue Goodkin, Diane Lundstrom, Ann Siebeneck, Ann Dudley, Diane Deem, Patty Francisco, Mel Smith, Cheri Pherigo, Judy Monastra, Gloria Rush. ROW 5: Deb Winget, Melanie Caw, Kelly Fox, Ellen Hobart, Sue Wiechart, Marge Bantz, Deb Churchill, Trudy Bowen, Julie Moody, Karen Pristis, Barb Appel, Kathy Zeolla. ROW 6: Jo Ringelmen, Chris Henry, Kathy Wiedman, Marcia Lehman, Sandy Earle, Linda Taylor, Kris Edington, Eileen Halowack, Carol Hardin, Karen Soehnlen, Laurie Blaumeiser, Deb Eldred, Ruth Landis. LYING: Laura Lenhart.

The '79-'80 school-year was an active and enjoyable one for the Gamma Tau chapter of Alpha Xi Delta. They initiated 27 new sisters and participated in many campus activities: Student Senate, cheerleading, vocal groups, various honoraries and professional organizations, and little sis clubs.

Fall brought Homecoming to ONU, and the Fuzzies saw Laura Lenhart elected to the Queen's court. Winter Quarter saw the Alpha Xi's doing a lot for charity. They worked for the Bloodmobile, collected "Toys for Tots", and participated in Campus Chest. Their "Black Lace and Wine" party was the highest selling, and Linda Taylor was named Miss Campus Chest. During the winter, Wendy Tiburski was named Theta Chi dream girl.

Spring started out right as the Alpha Xi's held their Rose Formal in Wapakoneta; Jeff Wright, a Theta Chi, was named sweetheart. Greek Week was victorious as the Guzzies tied for first place overall by winning the talent show and tying for first place in Greek Sing. The year was ended by hosting an ice cream party for the DZ's, ZTA's, and AOII's.

## Delta Sigma Phi

ROW 1: Dan Reid, Jay Morgan, Jim Kneale, Kevin Neidig, Joe Mastrianno. ROW 2: Joel Milliken, Mike Turner, Bob Arnold, Ray Humphry, Matt Frederick, Jeff Gormish, Rick Caddick, Mark Ropchock, Bob Boehk, Mark Rose, Doug Carothers, Dan Carothers. ROW 3: Steve Tope, John Schimmoller, Jeff Bernstein, Al Will, Mark Maynard, Ray Merk, Rich May, Dave Dull, Ed Tolliver, Dave Faymon, Kalvin Kampfer, Rick Calich. ROW 4: Chuck Basich, John Jeffries, Aadie Rodenburgh, Bob Demory, (feet) Rick Capasso, Doug Conley, Denis Wolowiecki, Ron Miller, Dan McCrae, Todd Shipley, Chris Murschel.

The brothers of Delta Sigma Phi enjoyed another good year. The house welcomed 16 new brothers into the chapter.

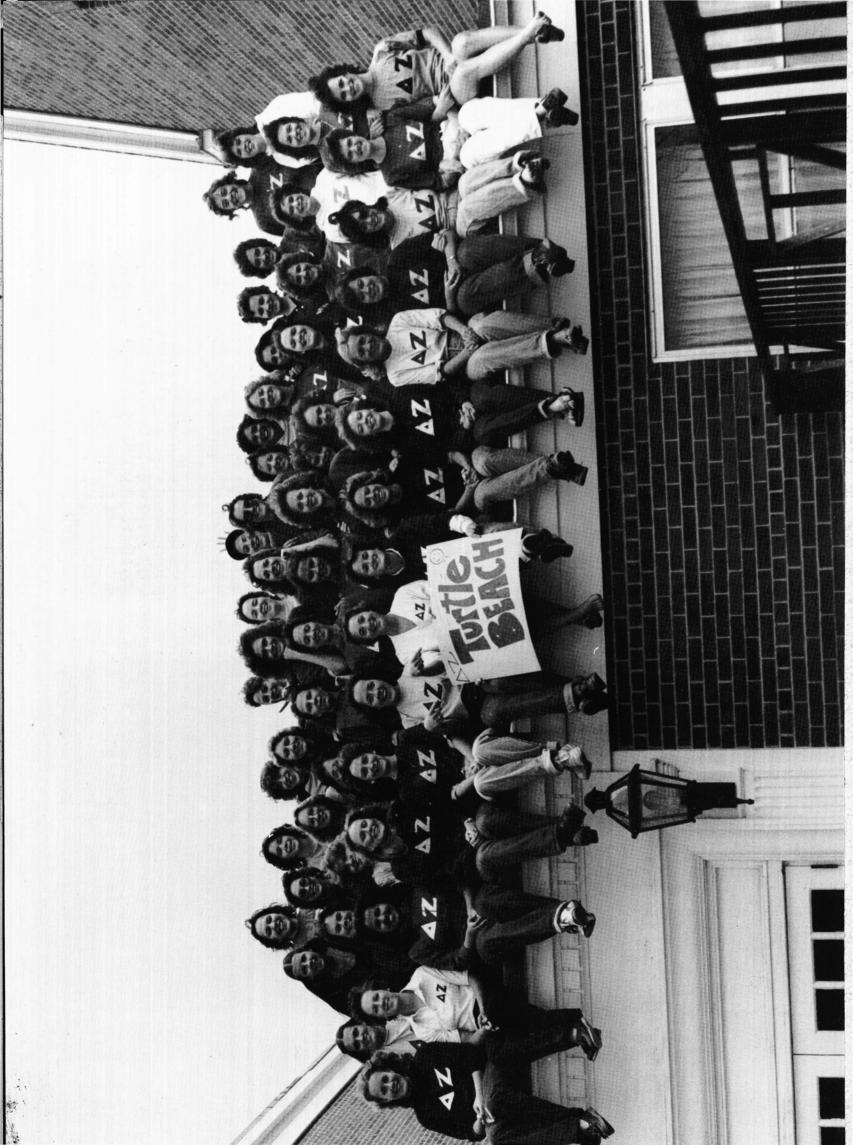

Once again, involvement was a key word for the Delts. Three brothers hold offices in I.F.C., and many brothers belong to various honoraries. Delts were also active in theatre, and varsity golf and tennis. They also participated in all I.F.C. sports.

Parties ranked high in the Delts' priorities, with their annual Fall Quarter live band party being one of the best. Winter Quarter was highlighted by a formal which was held at Tangiers in Akron. Besides finding time to party, the Delts also sponsored service projects. One such project involved gathering toys for needy children.

The brothers spent the year making general house improvements. One of the more "interesting" additions to the house was "Croc", the Delts' pet crocodile.

Claudia Brunie, a P-3, is the Delta Sigma Phi sweetheart.

#### Delta Zeta

ROW 1: Laura Caris, Molly Roberts, Irene Karras, Susie Knapp, Julie Now, Nora Jessop, Amy Graham, Janice Pilarczyk, Julie Cosiano, Liz Ford, Ima Darling, Mary Sherman, Pat Maslen, Renee Clerici, Deb Allard. ROW 2: Sondra Akers, Cathy Dewire, Jennie Harper, Karen Pilarczyk, Sam King, Liz Smith, Beth Phillips, Jean Blair, Betsy MacSwords, Sharon Stanek, Kim Hitchcock, Karen Marino, Sheila Stankiewicz, Maryanne Sebastian. ROW 3: Laura Cotnik, Linda Molaskey, Kathy McFarland, Elaine Drake, Deanna Bolten, Kathy Murphy, Barb Hoffert, Lisa Labriola, Kim Spath, Kassia Maslowski, Cindy Vendetti, Mary Kreas, Shelly Steinner, Pat Bowden, Sylvia Smith. ROW 4: Carol Ashley, Deb Jones, Holly Riedel, Jennie Reed, Erin Sims, Jill Fry.

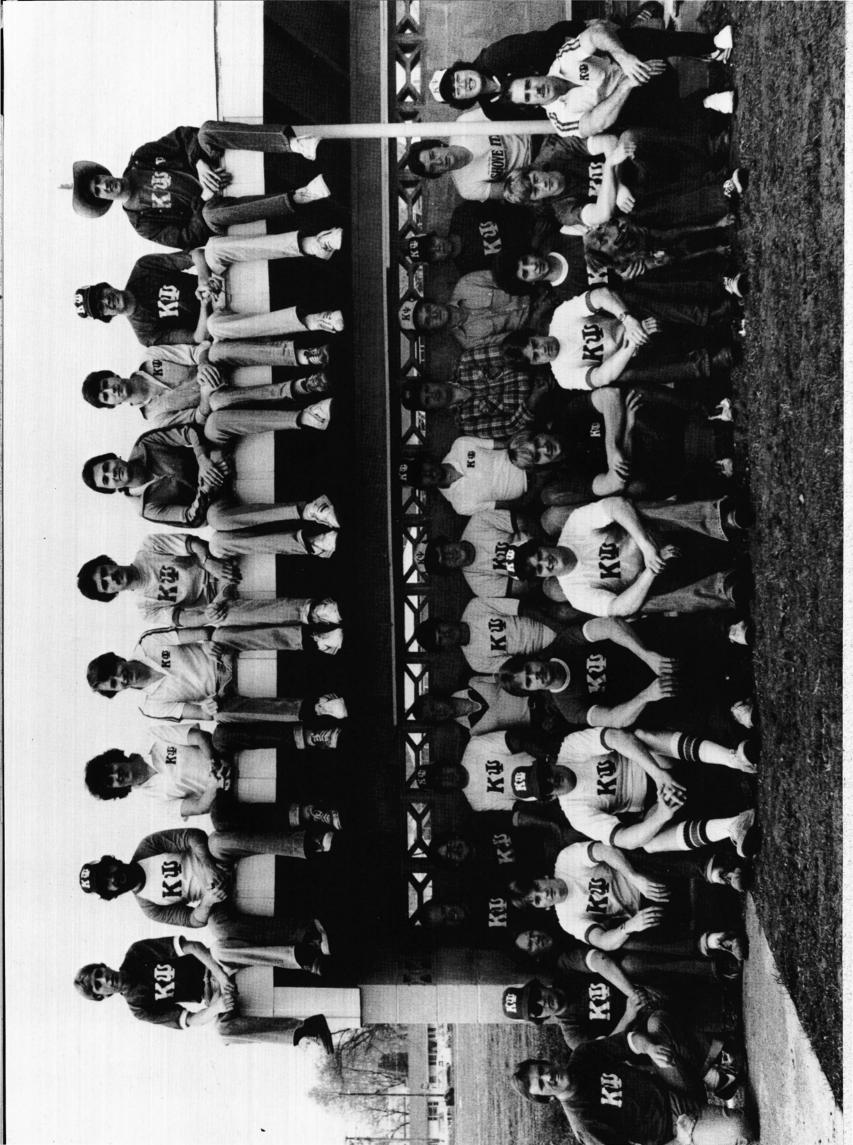

The DZ's began the past year very successfully, keeping busy with Rush and Homecoming. During Homecoming, the DZ's placed first in both the pushmobile race and house decorations and watched proudly as Sister Sharon Stanek was crowned Homecoming Queen.

Numerous philanthropies kept the DZ's busy. Their major project, the twenty-four hour dance marathon, raised over \$700 for the Gallaudet College of the Deaf. Other philanthropies included the carnation sale, collecting pop bottles, and donating to the Hardin County Big Brother-Big Sister program.

Women's Week saw Liz Smith recognized as the Outstanding Greek Woman and Linda Molosky as Kappa Epsilon Woman of the Year. DZ's participated in Greek Sing, Derby Day, and in many events in Sig Olympics. A spring formal was held in Columbus, Ohio, and highlighted the quarter.

DZ's were involved in many campus activities. Mortarboard and other honoraries, professional organizations and little sis clubs all helped to make it a rewarding year.

#### Kappa Psi

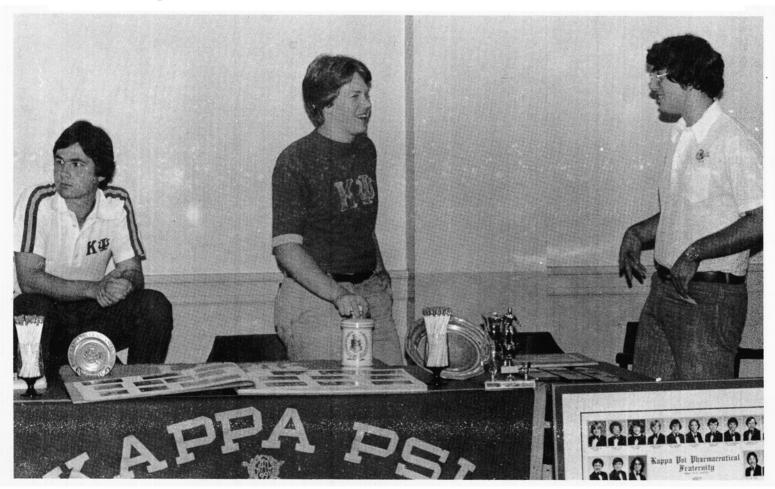

ROW 1: Jeff Zawada, Sky Gettys, Gary Whittel, Rob Knowlton, Jeff Ream, Joe Sailmen, Kevin Harris, Jeff McCracken, Pat Shea, Mike Furgeson, "Sport", Bruce Franklin, Randy Shell. ROW 2: Chuck Rasch, Chris Tolliver, Steve Salo, Chris Simmons, Jon Rauschenbach, Kevin Neisbitt, Clyde Oyer, Kevin Blacker, Ron Mundziak, Jeff Herbell, John Casale, Jon Falkenbach. ROW 3: Rick Trice, Tex Tremmel, Bob Stimmel, Dan Muskoff, Mark Mongine, Dave Merk, Ron Messick, Ron Inkrott, Marty McNeill.

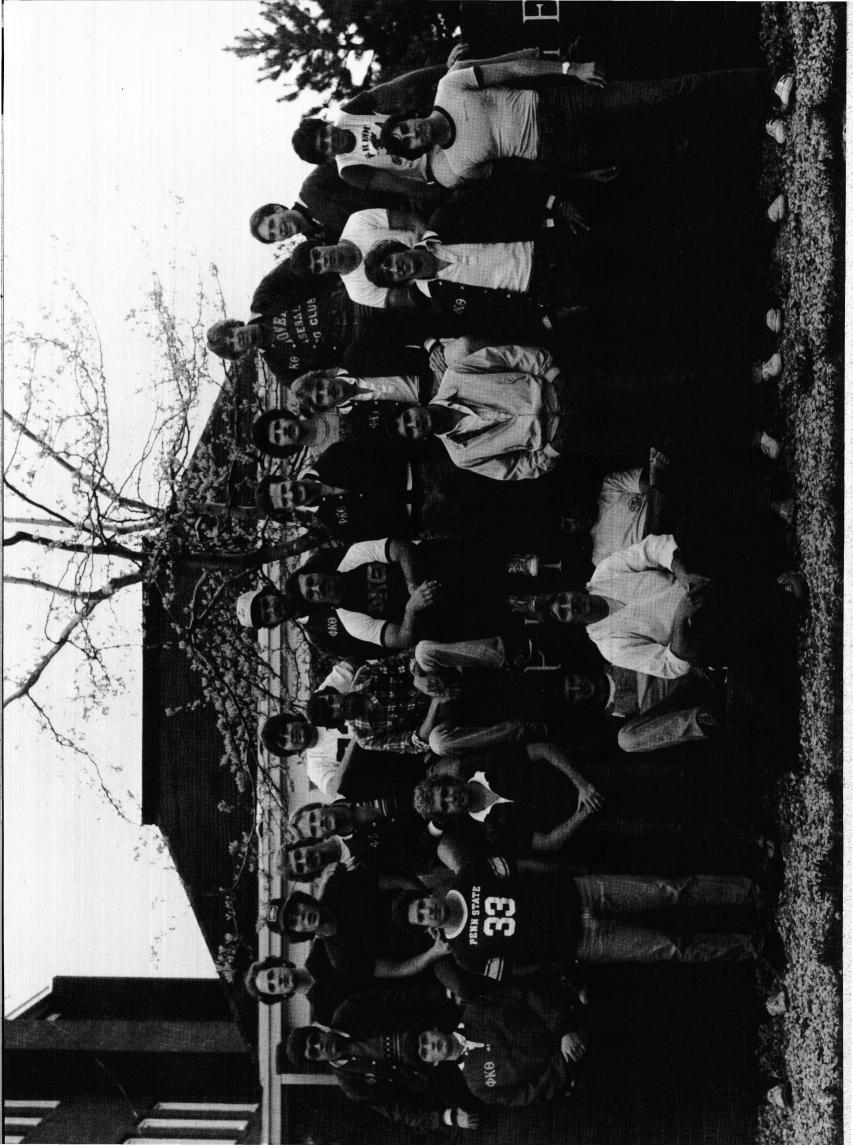

Gamma Delta chapter of Kappa Psi Fraternity was founded on March 20, 1920, by Dean Emeritus Rudolph Henry Raabe. Maintaining Dean Raabe's early vision, '79-'80proved to be an active year for Kappa Psi both professionally and socially.

On the professional side, the KY's assisted the Red Cross Bloodmobile visits to campus. During Spring break, several brothers toured the Lilly and Abbott Drug Company. Spring Quarter marked and was highlighted by the chapter's sixtieth anniversary on campus.

On the social side, many parties were held with the Alpha Xi's,DZ's, and AOII's. Once again, the KY's pie-throwing booth was a top money-raiser for Campus Chest; brothers Gary Whittle and Bob Prizel co-chaired the charity fund-raiser,

A KY Little Sis program was initiated with twenty-four girls welcomed into membership. The KY's initiated ten new brothers. Mary Murphy, a third year pharmic was elected the new sweetheart.

## Phi Kappa Theta

ROW 1: John Bennett, Matt Fuller. Joe Skemp, Craig Helms, Tom Marks, Joe Osowski, Joe Motta, Dean Rice, Bob Peterson. ROW 2: Kevin Babcock, Tim Weaver, Don Rasmussen, Bob Doidge, Steve Mansfield, Chris Saul, Tim Lastrapes, Brett Coakley, Kerry Dean, Scott Brinkeroff, Clem Stremmel, Eric Spence.

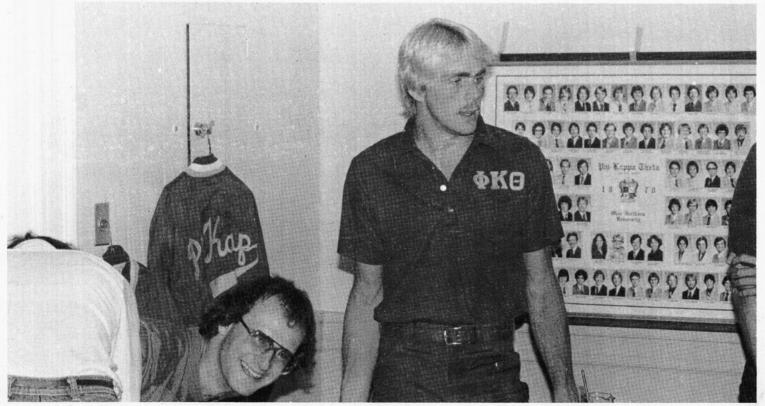

All in all, the Phi Kaps had another interesting and eventful year. Once again, they continued traditional social functions such as cocktail, Pledge Princess Dance, and formal. Many organized and spur-of-the-moment parties were also held. Connie Hannahs was honored as the new sweetheart at the annual Spring Formal.

Rush proved quite successful as fifteen new brothers were welcomed into membership. Participation in the IFC league was rewarding, too; the Phi Kaps placed second over-all due to the fine performance of the flashball team. As a service project, the brothers and Lil' Sisses sponsored a Halloween party for underprivileged children from Lima.

The Lil' Sis program continued to grow. Spring Quarter was highlighted by a canoe trip down Mad River with the Lil' Sisses.

The Phi Kaps are looking forward to another fun-filled schoolyear next year.

Phi Mu Delta had another outstanding year as the "House of the Lions" continued its successful traditions. The brothers of Mu Beta Chapter were involved in many of ONU's activities such as Student Senate, IFC, honoraries, and CAB. PMD's also participated on ONU swim, golf, and baseball teams.

Community service projects played a big role in the PMD's activities. Projects included planting trees around Ada, singing carols for the Hardin County Home, and sponsoring an Easter party for the Lima Head Start Program.

The PMD's were highly competitive beginning with a firstplace finish in the annual Homecoming Pushmobile Race for the second year in a row. The PMD's were active in intramurals and sponsored the annual talent show during Greek Week. In spite of a first place finish in the car rally and Brother Scott Syler being named Greek King, the PMD's placed second in the week's activities.

The first annual Alumni Dance was a huge success, as was Spring Formal. Mary Cooper, the new sweetheart, was honored at both events.

With the addition of 19 new brothers and 23 little sisses, things look bright for next year.

If one could summarize '79-'80 for the Sig Eps, it would have to be "memorable." "The year got off to a good start with ONU's Sig Eps celebrating their seventy-fifth anniversary at Homecoming; Brother Bill Pfeiffer winning Homecoming King further highlighted the festivities. During Winter Quarter, the Sig Eps celebrated the ninetieth birthday of their housemother, "Mom" Bentley.

Sig Eps may be found participating in various ONU organizations. Jim Brown was the past Senate President, and Jim Carmody was elected the new Vice-president. Brothers participated in ONU sports, especially baseball and swim team. Shawn Bogenrief was selected Most Valuable Swimmer. Sig Eps also participated in IFC and various honoraries.

Spring Quarter was quite eventful as the Sig Eps, along with the Golden Hearts, sponsored a walk-a-thon for the Easter Seals. The "Eps" did well during Greek Week; they placed second in the PMD Talent Show and Sig Olympics, won Greek Sing, and placed second over all. Spring Formal, held in Columbus, highlighted the quarter; Pat Maslen was named the new sweetheart at that time.

The future looks good for the Sig Eps with the addition of ten brothers and a strong Golden Hearts program.

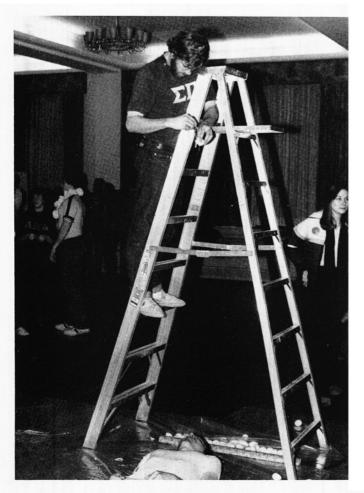

#### Sigma Pi

ROW 1: Tim Hartnett, Sean Ryder, Art Reiger, Chip Valutis, Dennis Barr, Mark Volpe, Carl Simpson. ROW 2: John Kynyk, Jon Barret, Doug Wolfe, Phil Caris, Dan Reno, Daryl Hoffman. ROW 3: Dave Fink, Scott Griswold, Steve Liles, Rick Armstrong, Chloe Cole, Rusty Fry, Frank Meyers, Tim Fisher, Norbert Doeringer, Dave Olson, Bob Matthews, Jon Fate.

Tradition played a key role for Sigma Pi during the '79-'80 school year. Once again the annual Sunrise and Halloween parties were held during Fall Quarter. The annual Orchid Ball was held in the midst of Winter Quarter while the canoe trip and camp-out highlighted Spring Quarter.

The school year saw Sig Pi's active in student senate, I.F.C., and ONU soccer. Phil Caris was elected president of I.F.C. while Doug Wolfe served as captain of the soccer team. Sean Ryder received the Eichorn Memorial Award for being the outstanding soccer player.

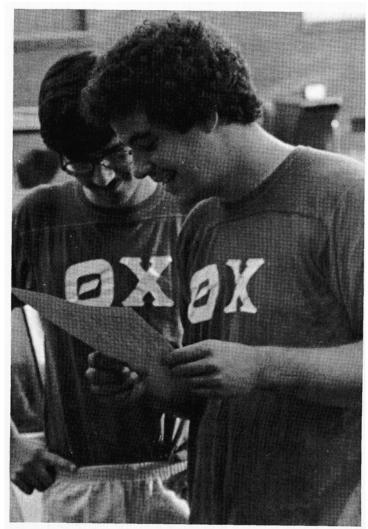

The little sis program continued to be strong with thirty active little sisses. As a service project, the brothers along with the lil' sisses hosted orphans from Lima for a day.

#### Theta Chi

LYING: Chip Brigham. SEATED: Doug Crane, Dave Albers, Jim Vistein, Gary MacDonald, Mike Wilson, Tim Rech, Chip Tom Lamb, Rich Myerly, Mike Murphy. ROW 1: Bruce Eaken, Tim Moser, Dave Wells, Jhon Honce, Mike Braddock, Rick Morris, Jeff Denman, Gordon Neumann, Jeff Wright, Jeff Schaut, Mark Evans, Keith Laffin, John Wolk, Vance Brown, Brad Cress, Lance Lucas. ROW 2: Joe Lazzaro, Mike Meeder, Tom Gaborcik, Greg Richters, Doug Shilling, Scott King, Brian McHolm, Jeff Colvin. SEATED (ROOF): Frank Connelly, Ray Martin, Mike Preston, Ken Yanniello, Jeff Kienzle. STANDING: Buzz Dorworth, Jim Millar, Alan Mong, Mike Banchy.

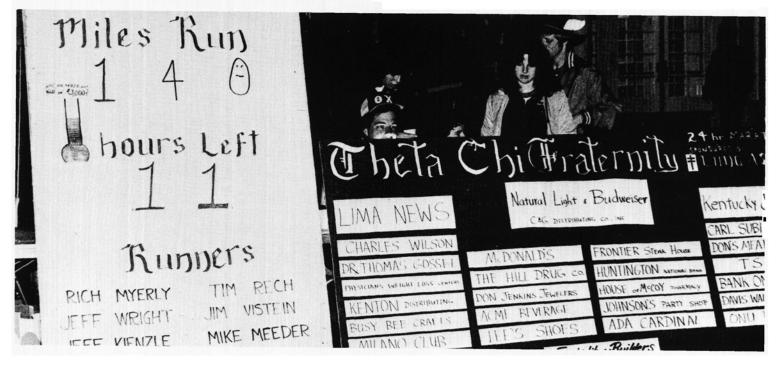

Once again, the Zeta Kappa chapter of Theta Chi excelled in the areas of academic achievement and community service. Brothers were actively involved in many aspects of campus life including IFC, intramurals, band and University Singers, and many honorary organizations.

Fall Quarter got off to a good start with Brother Mark Evans being named to the '79 Homecoming Court. The Theta Chi's also sponsored a Halloween party for the Allen County Children's Home.

The Theta Chi's were kept busy during Spring Quarter. One of the activities involved a trip to Miami University to visit the Theta Chi chapter there. Greek Week proved successful as the brothers won Greek Sing and placed first over all to win the week. For the fifth year, the Theta Chi's ran their annual twenty-four hour marathon for the Western Ohio Lung Association. Hard work paid off for the Theta Chi's because they received the Dean's Trophy for Community Service and the President's Award for Scholarship. Special recognition was given to Mike Braddock for being named Greek Scholar.

Wendy Tiburski was named the fraternity's Dream Girl,

#### Zeta Tau Alpha

ROW 1: Ann Wehmeyer, Lori Pennell, Terry Feeney, Julie Zickar, Linda Fraser, Lynda Engel, Tricia Maloney, Jane Myers, Chris Ward, Jill Gresham, Maryann Stafford, Ann Allen. ROW 2: Judy D'Amico, Becky Davis, Laurie Thompson, Lynne Turel, Jackie Myers, Ann Campbell, Judy Moran, Lisa Siegenthaler, Carol Haycox, Angie DiRenzo, Michele Datish. ROW 3: Candy Scharein, Mary Sotera, Terri LaMarco, Tracey Woollard, Anne Colton, Sue Stein, Ann Painter, Marcia McIntyre, Lynn Klingler, Sue Subler. ROW 4: Deb Kune, Pam Snyder, Gale Jenkins, Becky Sterrett, Lori Morgan, Marcia Dennis, Lori Hall, Terry Roberson, Sharyl Gorrell, Sharon Dundore, Pam Streb, Terri Henby, Jean Seginak, Peggy Felix. ROW 5: Yvette McNally, Deb Gorman, Rachel Harlan, Anna Motta, Kelly LaMarco, Jamie Shafer, Cynthia Holden, Linda Bostelman, Sandy England, Amie Blaumeiser, Tricia Sames, Dawn Cassler, Val Rex, Tracey Williams, Mary Beth Lowdermilk.

The sisters of ZTA found this past year busy and rewarding. Fall Quarter brought Rush, which proved successful as 19 new sisters were initiated. Homecoming marked the twentieth anniversary of ZTA on campus, and the sisters welcomed the return of many alumnae; Chris Ward's election to the Homecoming, Court enhanced the celebration.

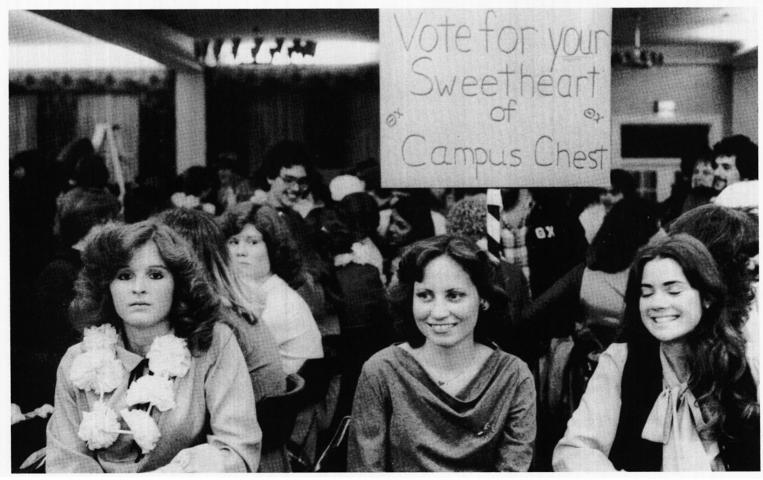

During the Winter Quarter, a Big Brother was instituted which proved successful. Winter Formal, held at the Ramada Inn in Lima, broke the monotony of the long winter days; Bill Gordon, a junior engineering major, was named sweetheart at that time. Later in the quarter, Terri LaMarco was named Phi Kap Pledge Princess at the Phi Kap's annual dance.

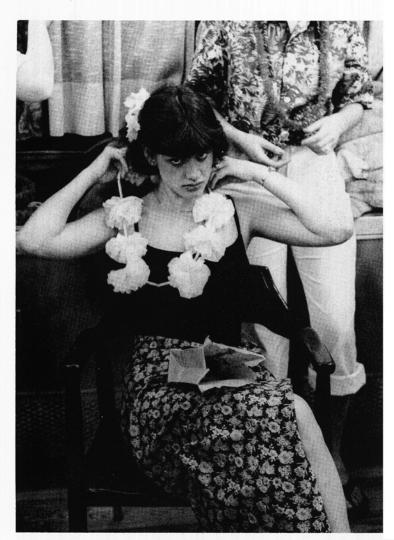

During Women's Week, Becky Sterrett, Anna Motta, and Chris Ward were tapped for Mortarboard. ZTA's participated in Greek Week and tied for first in Greek Sing. Many special sorority awards were presented at the annual Parents' Tea, held at mid-quarter. The ZTA's received both the Pan-Hel and President's Awards for scholarship for the fifth year.

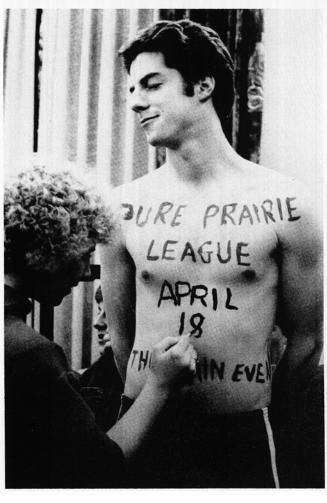

#### Campus Chest 1980

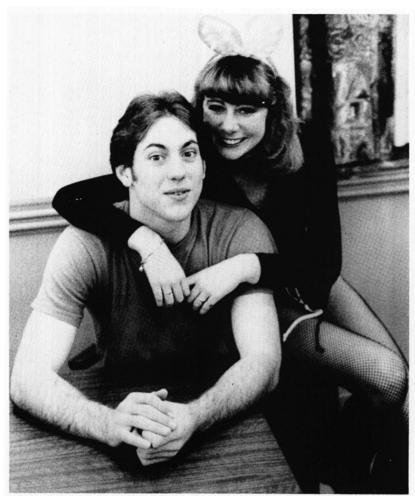

Breaking the monotony of the winter, the annual Campus Chest Carnival was held on February 5. This annual event allowed one to hire a hit man, visit a massage parlor, or buy a slave — all in McIntosh Center! Booths ranging from pie-throwing to egg-dropping to kissing were all sponsored by fraternities, sororities, and residence halls to raise money for charity.

Beginning in the 1950's, this annual fund-raiser has provided-thousands of dollars for charities. Under the direction of Gary Whittle and Bob Prizel, this year's carnival was the most successful ever and exceeded its goal of \$2000.

Once the carnival ended, everyone moved to King Horn for more fun and to attend a party auction. Alpha Xi Delta's party, "Black Lace and Wine", had the highest overall bid. Linda Taylor and Shawn Borgenrief were named King and Queen of Campus Chest.

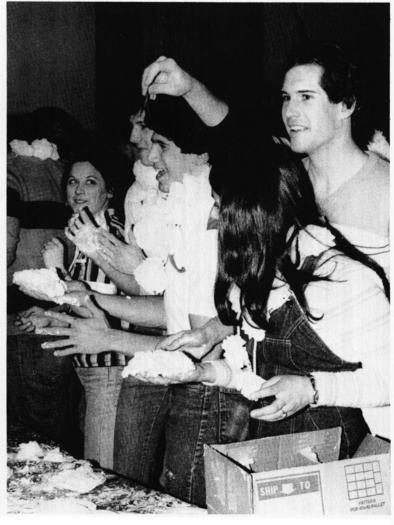

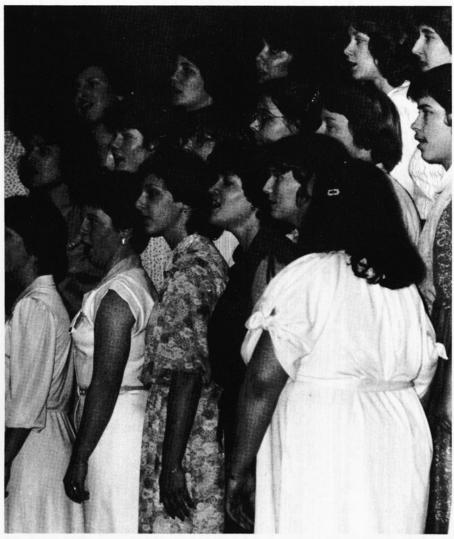

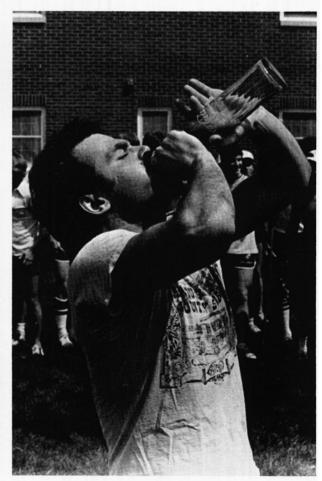

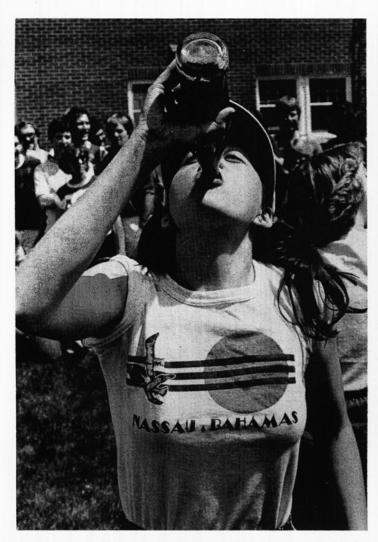

#### A Spirited Week

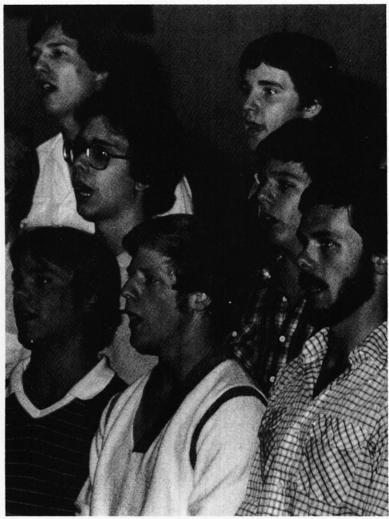

Chasing derbies, displaying Greek letters on banners, and crowning a king and queen during a week of competition for fraternities and sororities means one thing at ONU during the spring: Greek Week. The spring "fling" began on a Sunday with a car rally and ended on a Saturday night with the return of an all-Greek party.

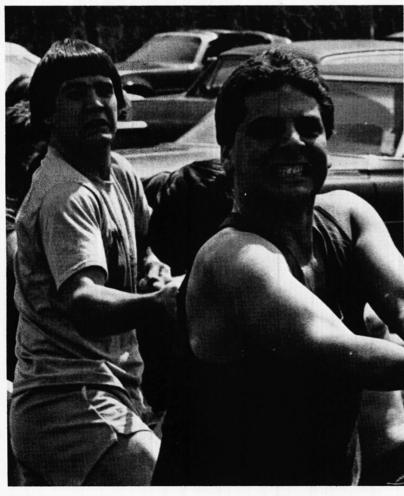

Despite the cold and gloomy weather, spirits were high as Greeks moved from one activity to another. The PMD's and AOII's captured first place in the car rally. Monday and Wednesday saw Greeks displaying their letters on both T-shirts and banners. The PMD Talent Show highlighted Wednesday night, with the Alpha Xi's and Alpha Sigs winning first place. The annual Greek Sing was held Thursday night with both original and serious categories. The DZ's and Theta Chi's placed first in the serious category while the Sig Eps and Alpha Xi's and ZTA's took firsts in the original. PMD's Scott Syler and AOII's Patti Tarrant were named Greek king and queen. For the first time in 4 years, the sun was shinning for Derby Day and Sig Olympics. DZ's won Derby Day and tied with the Alpha Xi's for overall Greek Week winners; the Theta Chi's also won overall. The week ended on a good note with everyone having fun at the all-Greek party.

#### Football Awards

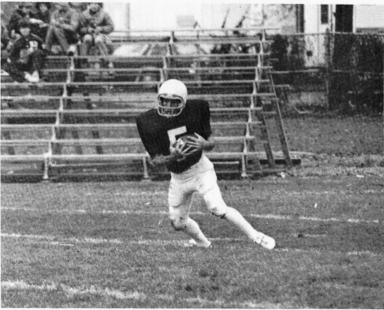

Ohio Northern's Head Football Coach Wally Hood presented the 1979 football awards at the fall sports banquet. Four special awards were presented at the recognition banquet along with 47 letters and 45 freshman cerfiticates.

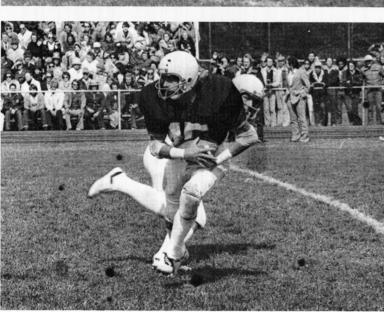

The special awards were presented to senior Rob Coll, the Thomas J. Smull Academic Award; senior Chris Kubbs, the Harry S. Siegel Outstanding Offensive Player Award; senior Jeff Bok, the Lewis F. Nemec Outstanding Defensive Player Award; and Kevin Bicking the Clyde A. Lamb Outstanding Freshman Award.

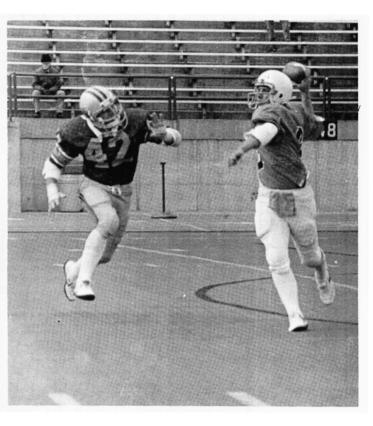

According to ONU's Wally Hood, "We were real close to having a great season, but instead we had to settle for just a good season (5-3-1). The outcome may have been different had senior tailback Richard McGarry not been hurt in the Denison game."

"The outlook is bright for next year," Hood said. "If we have the same success recruiting that we did last year, we should again challenge for the Ohio Athletic Conference race."

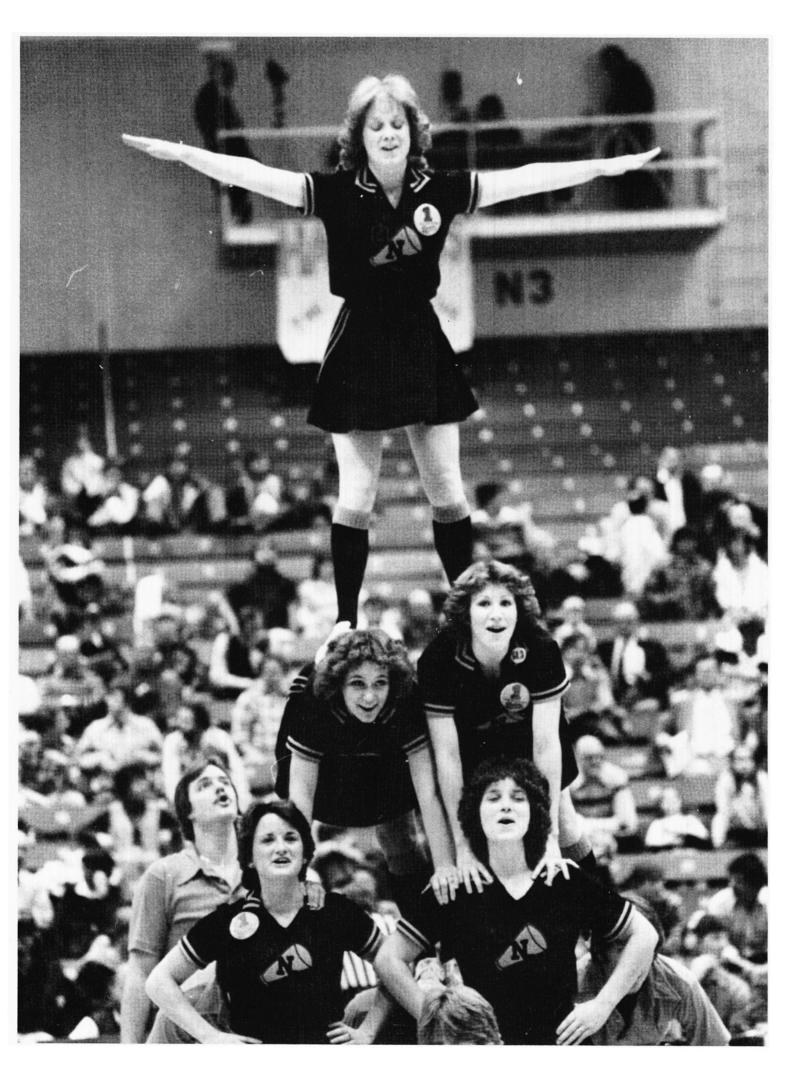

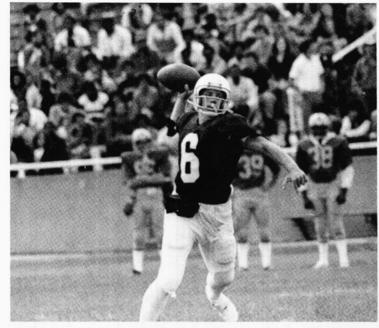

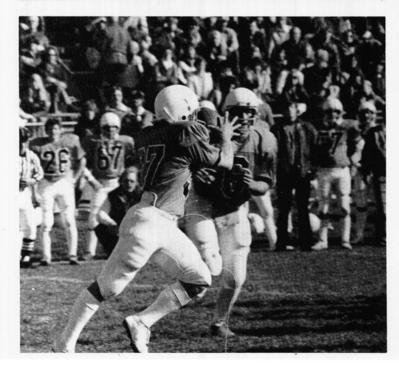

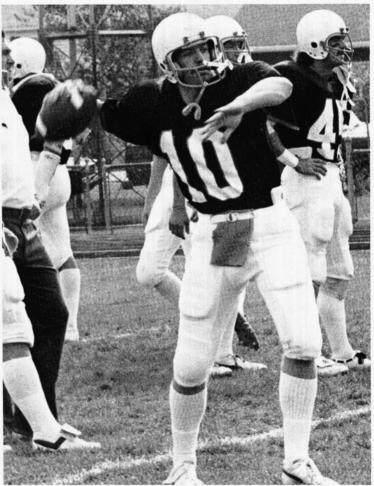

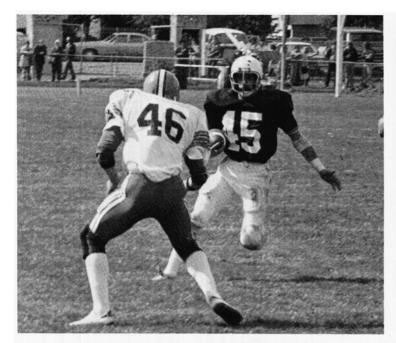

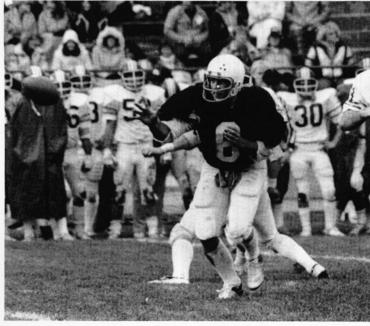

#### Soccer

Depth, depth, depth. It's like a broken record. Every coach wants it, needs it, and swears by it.

According to Head Coach Dr. Amar Bhattacharya, "depth means the difference between a winner and a loser."

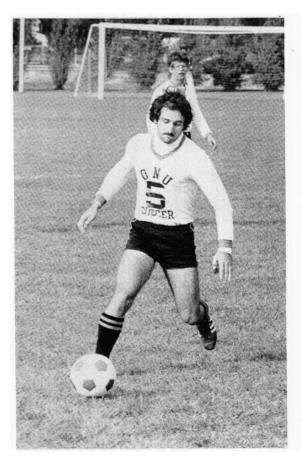

The Ohio Northern soccer team finished the 1979 season with a 5-6-1 record. The losing season was the second since Bhattacharya and soccer came to ONU. The first losing season was in the team's first year of competition in 1975.

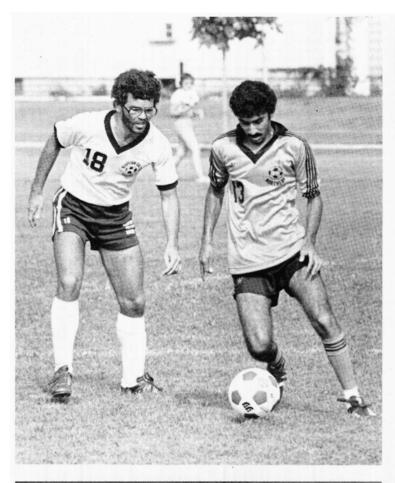

The 1979 season did feature a lot of injuries and could be the cause of failure. However, when the injuries occurred, the Polar Bears had no bench to step in and do the job.

"You've got to expect some injuries," said Bhattacharya. "It's as simple as that. The optimum is to have a strong bench so the team doesn't depend on any one player. This year we didn't have that."

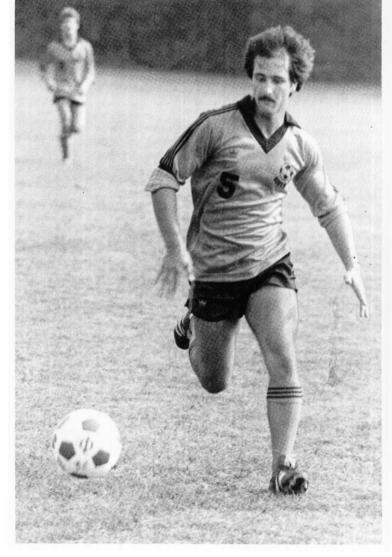

"The biggest advantage with good depth," said Bhattacharya, "is you can be more disciplined with the team. In soccer you need a strong discipline. No one player can do it all. Even the best player needs a strong supporting group."

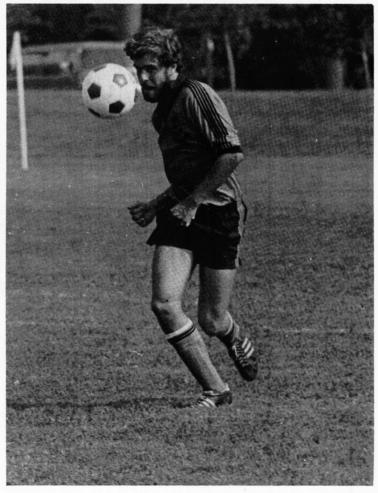

Freshman Dave Fink was the Polar Bear's leading scorer.

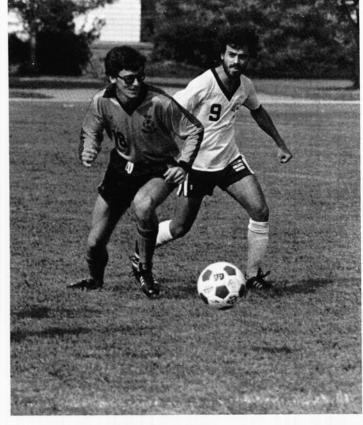

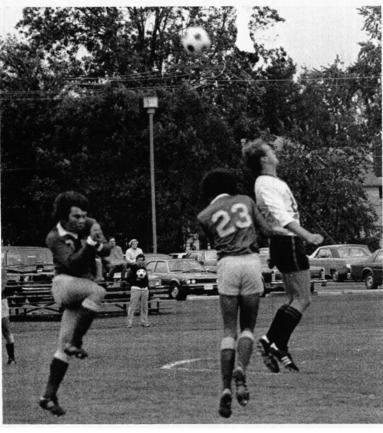

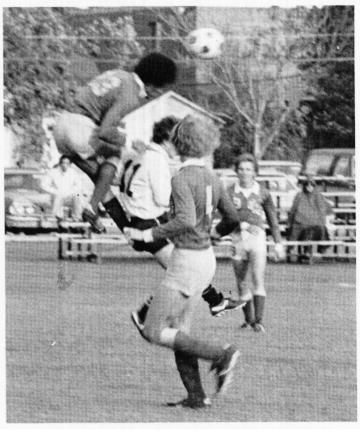

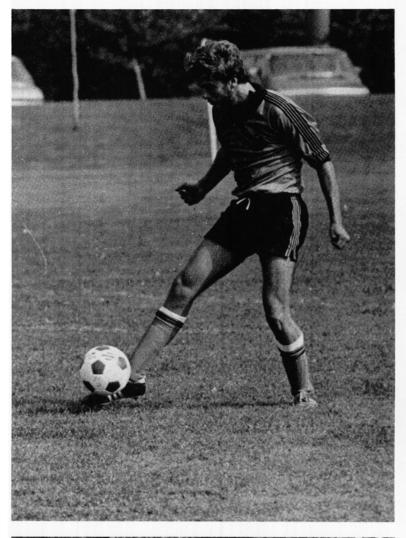

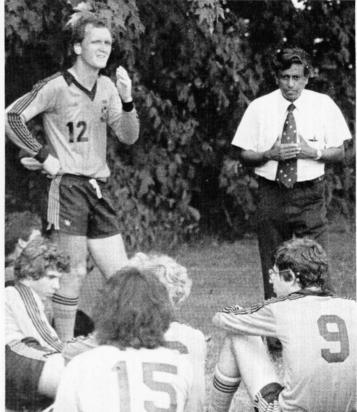

### **Cross Country**

Everyone predicted prior to the 1979 running season that Ohio Northern's cross country team would rate as the best in the school's history. The early predictions came true, but only after a series of discouraging events.

ONU's all-time best distance runner Mike Becraft ran only three races all year. Although the senior from Georgetown, Ohio won each time out, it was difficult to watch the nation's runner-up in 1978 (Division 111) go through the motions. Even at less than 100%, Becraft continually out-distanced his opponents. Finally the pain became so severe that the former Ohio high school champ had to seek medical attention.

The Cleveland Clinic diagnosed the leg injury and promptly scheduled surgery for December 7. Mike is expected to be out from four to twenty-one weeks, depending on the severity of the damage.

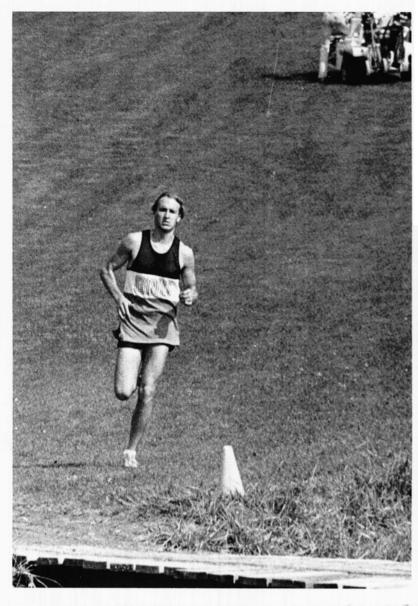

Losing Becraft so early in the season could have been disastrous to Ohio Northern's consecutive winning streak. The team did not fold as some suspected, and the dual meet victory streak continued until the final meet of the regular season. The Polar Bears saw their streak come to an end against Otterbein College 21-40, after 32 straight wins.

Ending the season with a 13-1 mark helped propel the

Polar Bears into the conference meet with a lot of desire. Tabbed as being the best ONU team ever, the harriers set out to prove themselves. The top seven ran close to the leaders the first two miles before the elements, especially the cold wind, took their toll on the ONU runners. ONU ran well, but placed fifth in the OAC meet with 115 points, only one point back of Mt. Union, which qualified for the NCAA Regionals. The conference coaches took a vote after the race and unanimously chose to recommend Ohio Northern as an at-large team in the regionals. The NCAA honored the recommendation and the Polar Bears ran in the regional event as a team. Only the top four teams and the top five individuals automatically qualify for the meet.

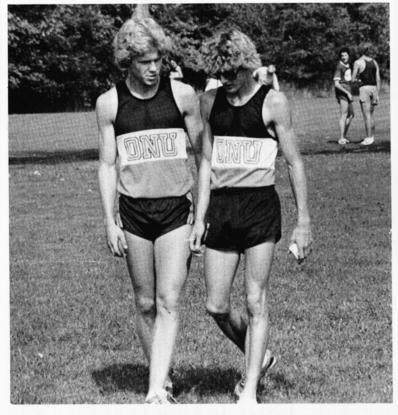

Seniors Dan Schoelein (Ft. Recovery) and Bill Chmelik (Chesterland) were the most consistent UNO runners on the season. Schoelein took command of the team after Becraft's injury and led the squad to the finish line in all but two of ONU's final five races. Chmelik, who looks like a tight end in football, was the top finisher in the other races.

"We had great leadership and that has a lot to do with our success during the year," said Head Coach Gale Daughtery.

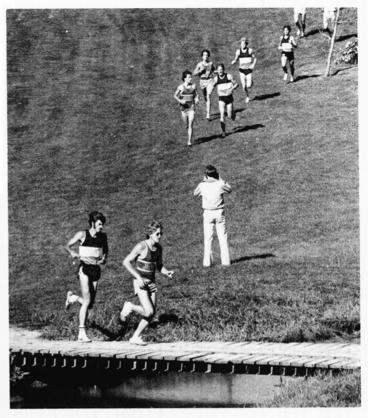

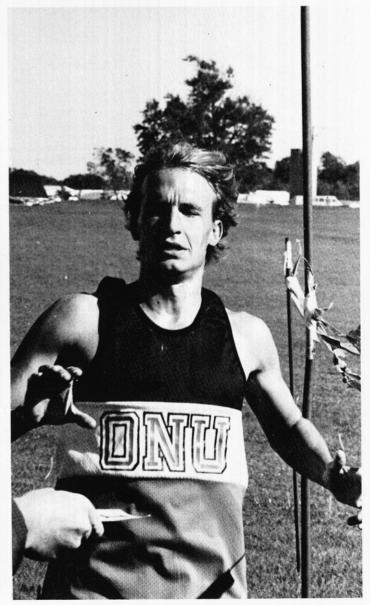

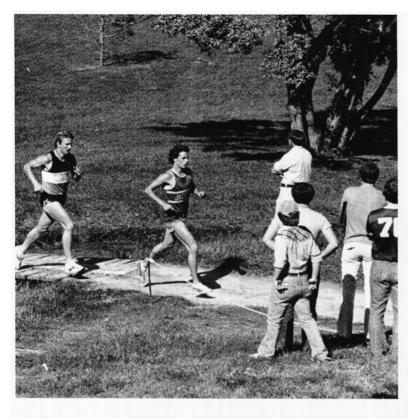

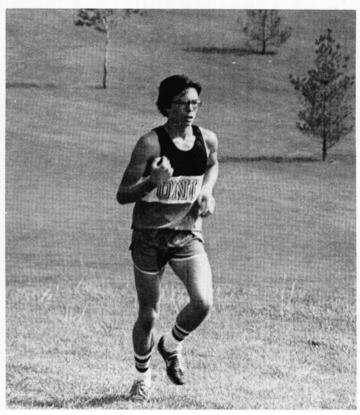

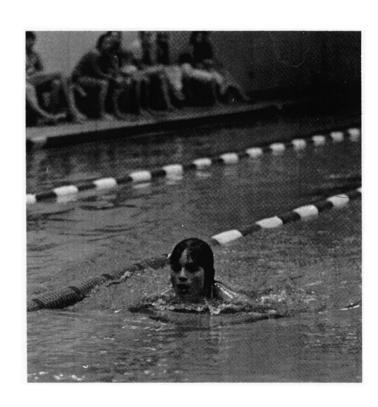

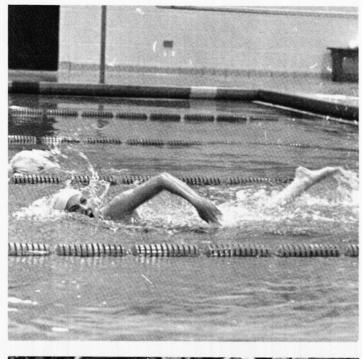

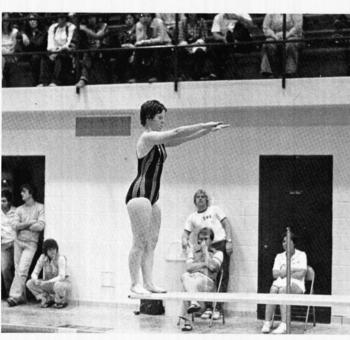

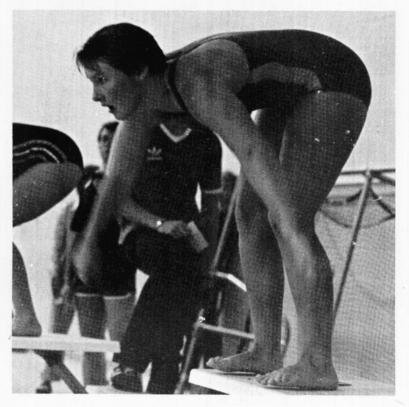

## Women's Swimming

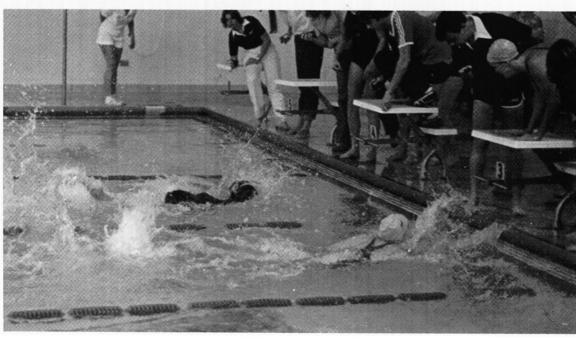

## Volleyball

"This marks the beginning," said Ohio Norhtern Head Coach Sheila Wallace, as she was addressing the 1979 women's volleyball team after it's 16-14, 16-14 loss to the University of Wisconsin-at Stevens Point in the third-place playoff of the MAIAW Division III Regional Volleyball Tournament. Ohio Northern, the Ohio state champion, narrowly missed qualifying for the AIAW National Championships in Los Angeles, California, at Occidental College on December 5-8. The top three regional finishers qualified for the nationals.

Ohio Norhtern led in both playoff games 14-10, but couldn't score the final point needed for victory. Despite losing both games and the right to represent the region at the nationals, ONU has applied for an at-large bid.

According to Coach Wallace, "We've put in for an atlarge bid because of the strength of our region and our scores against the teams in the Midwest regional. I mentioned in my rationale that we played our third-place playoff match without two starters. Chryl Haupricht, an all-state selection, strained knee ligaments in the semi-final match against Wisconsin-Lacrosse, and Julie Zinn, ONU's top offensive player all year, was lost prior to the state

tournament with an ankle sprain. Both players would be ready to play in the nationals if we were selected."

Senior Vicki Mauk, the Most Valuable Player in the OAISW State Tournament, made all-regional team. This is the first time an ONU player has ever received this honor. Her efforts, along with all-state Joanne Roebuck and Cheryl Haupricht, gave the Polar Bears their best record ever at 39-9.

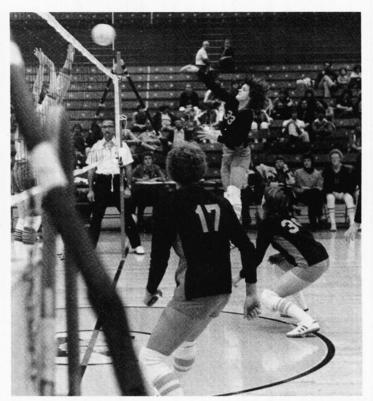

"I'd have to describe the season as simply fantastic," said Coach Wallace. "We won our first state title, had our first state MVP selection, had three players on the all-state team for the second year in a row, and recorded our highest regional finish ever with a fourth."

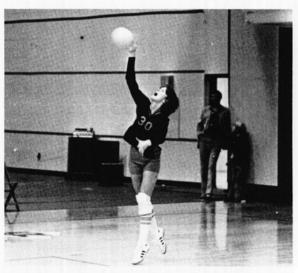

Winning at ONU is becoming the norm, as the Polar Bears broke the school mark for wins in a season with 39. The 39 victories bettered last year's record setting performance of 28-9 by the volleyball squad, which took the volleyballers to a third-place state finish.

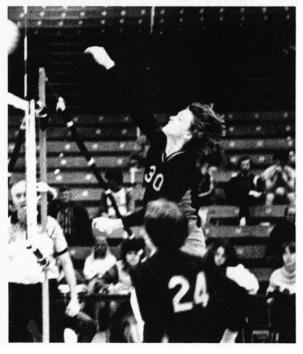

Ohio Northern should be again strong in 1980. So strong that Coach Wallace feels repeating as state champions is a realistic goal for next year.

"This marks only the beginning," said Wallace.

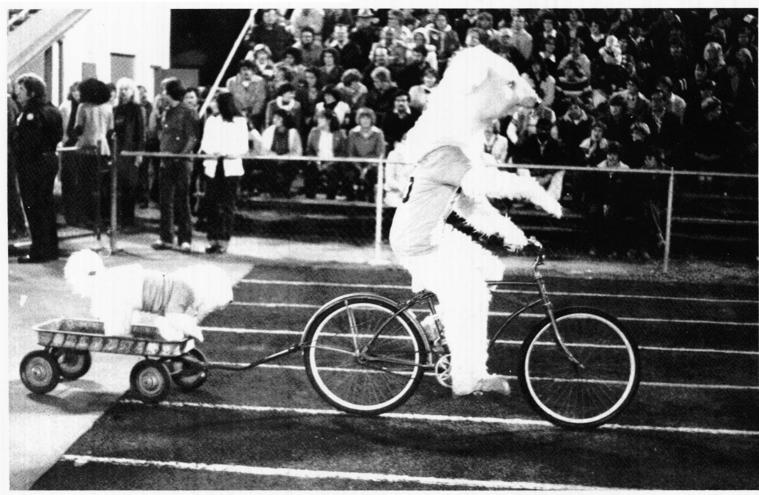

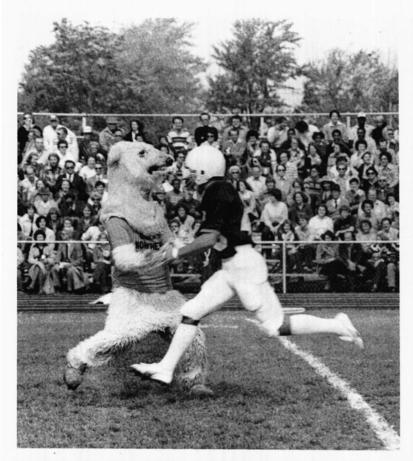

#### ONU Bear

For maintaining school spirit, he is one of the best. This wild and crazy person is the Bear. This year Ron Riechman was the Bear for football. Ron is a senior accounting major from Leipsic, Ohio. Handling the duties of the Bear for basketball was Mike Smith. He is a senior Health and Physical Education major from Clyde, Ohio. Both Ron and Mike are members of Alpha Sigma Phi Fraternity.

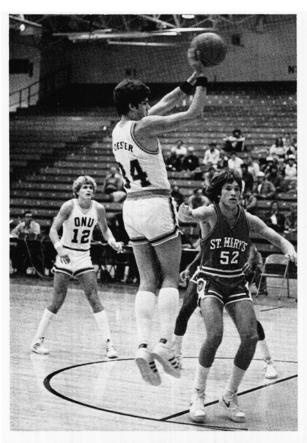

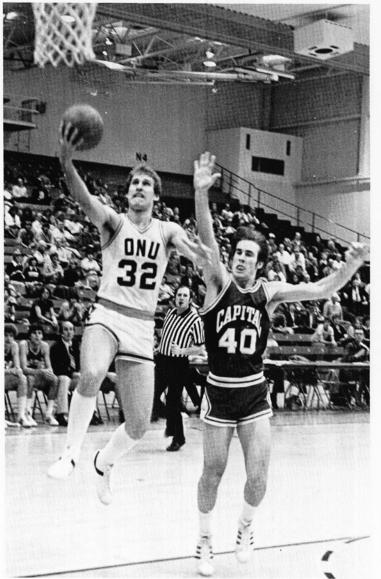

## Cheerleaders

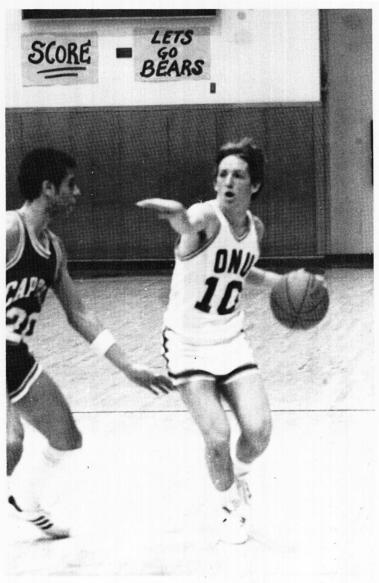

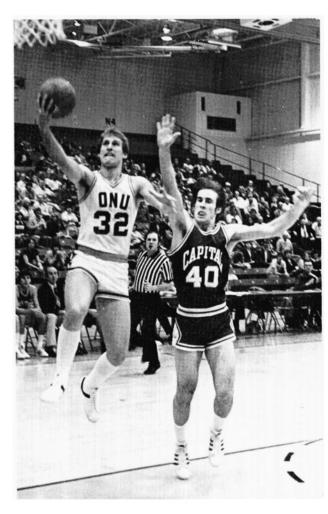

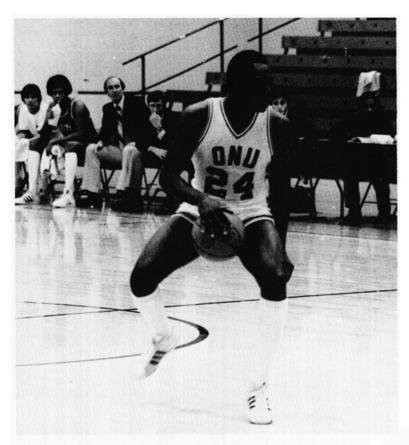

#### Fantastic Season for Team

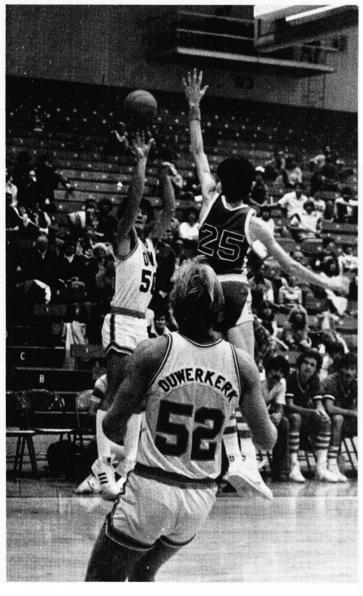

Ohio Northern had the nation's (Division III) sixth best won-lost including the school's longest ever win streak of 12 games. The Polar Bears, ranked number two in the NCAA's final Division III poll, narrowly missed cracking the nation's top 15 scoring teams with its uptempo passing games offense, but the team did finish ninth in the nation for scoring margin with a 12.2 pergame average. As always, the Polar Bears, coached by Gale Daugherty, kept the defensive pressure on at all times giving up only 66.2 points per game. This percentage ranked the Polar Bears sixth in the country in defensive field goal percentage.

The 1979-80 season will not be forgotten soon. It was a year filled with big victories, but none so sweet as ONU's 84-71 drubbing of the nation's top ranked team, Wittenberg, on a neutral court for the OAC championship. Along the way, ONU won the Northern Division regular season crown and the OAC Northern Division Tournament title.

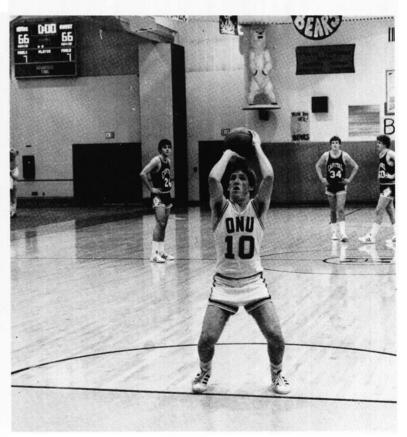

Appearing in the NCAA Great Lakes Regional Tournament for the second time in the last six years was an honor, and the team demonstrated its ability in the first round game with Calvin College when the Polar Bears won 92-90 in triple overtime. Calvin led for most of the first half and all of the second half. Pat Koester's selection to the all-American team, making him the first all-American in the school's 70 year basketball history, capped off the never to be forgotten season.

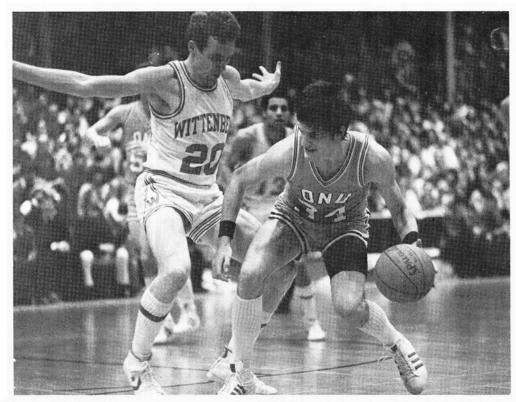

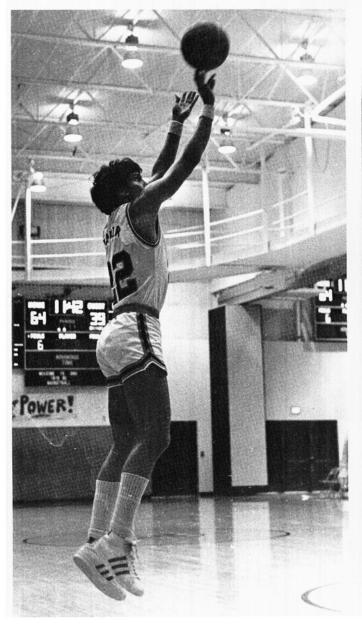

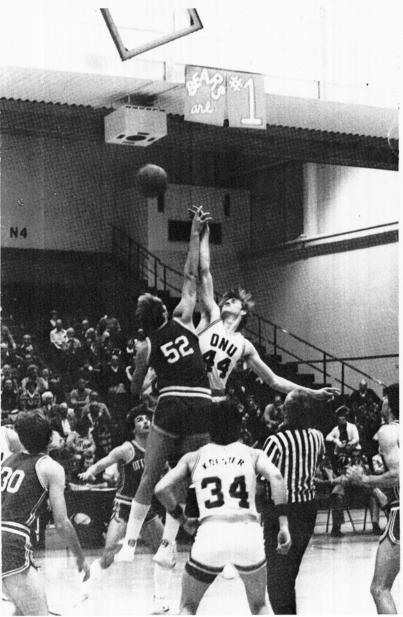

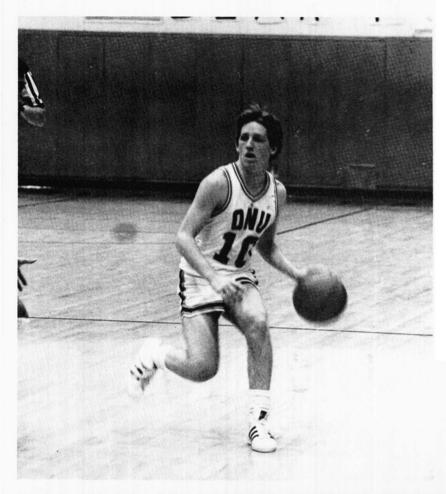

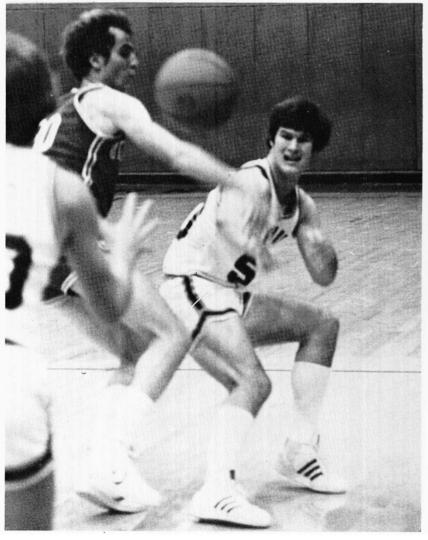

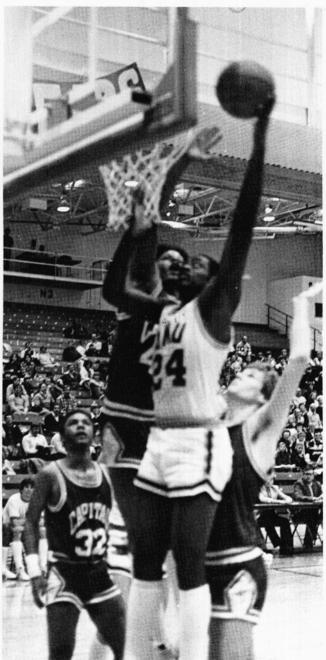

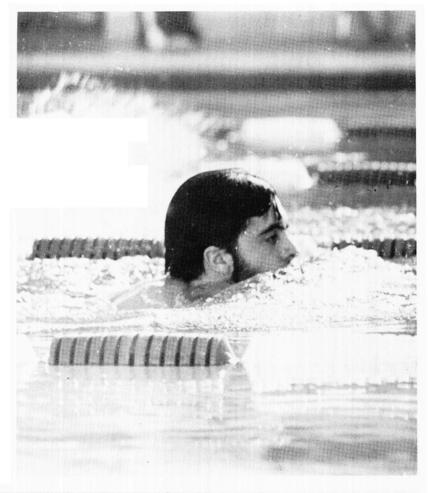

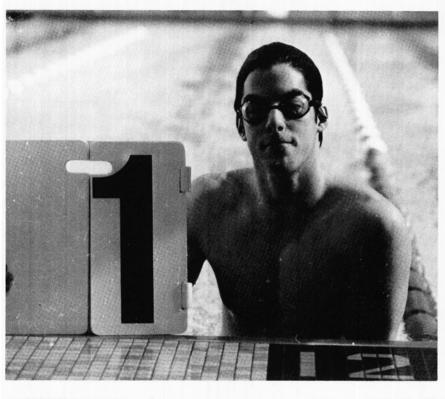

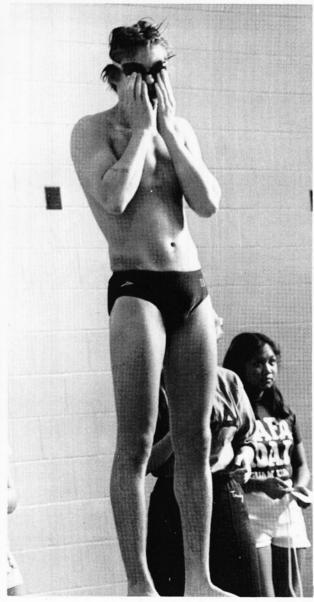

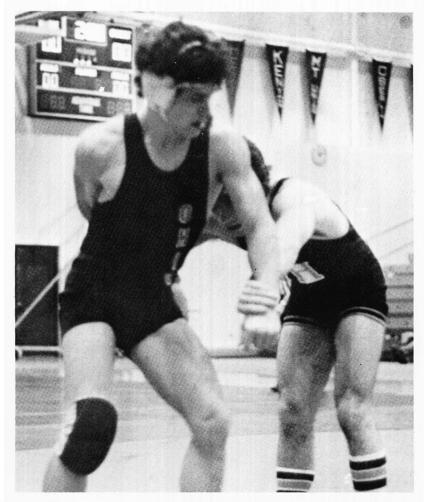

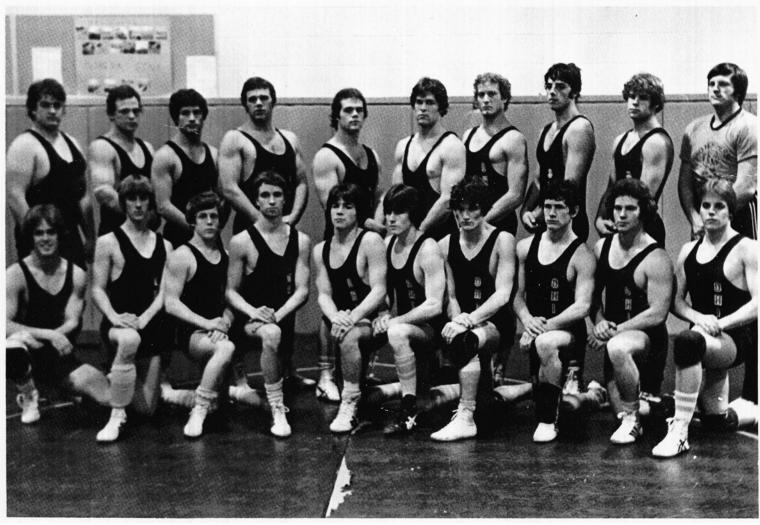

# Fifth Title in Six Years

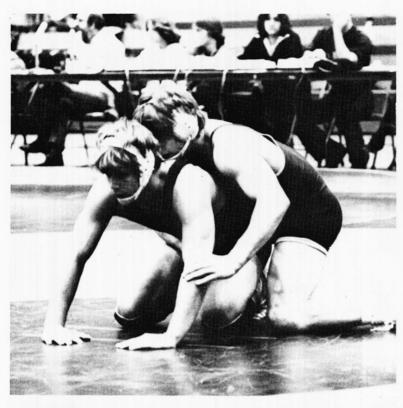

Ohio Northern University's wrestling team placed nine of its ten entrants in the top three to wrap up the team's fifth Ohio Athletic Conference Wrestling Championship in the last six years. With the victory, Ohio Northern Head Coach Dick West was named "Coach of the Year" in the Ohio Athletic Conference by his fellow coaches. The Polar Bears were 17-6 overall and 8-0 against league opponents in dual competition.

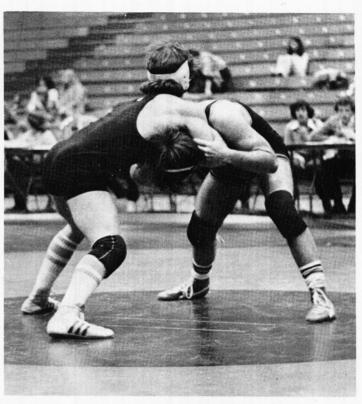

Senior team captain Rick Peiffer and junior Brad Beaman won individual titles for the Polar Bears. The victory gave the 142 pound Beaman his second consecutive league title. Both Peiffer and Beaman represented the Polar Bears and the OAC in the NCAA Division III National Championships in New London, Connecticut at the Coast Guard Academy.

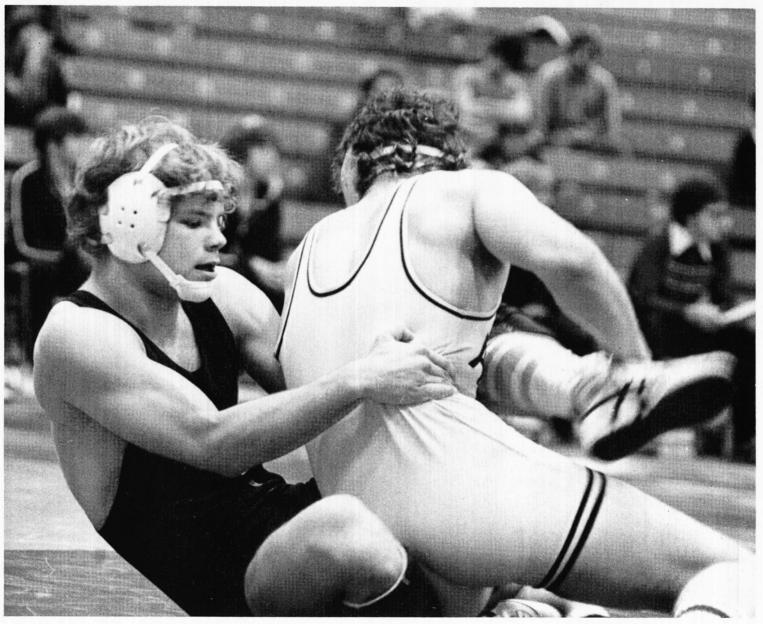

Much of the success of this year's ONU team lies in the strength of its freshman class. Although short on collegiate experience, four newcomers participated in their first OAC Championship. The result was two seconds and two thirds.

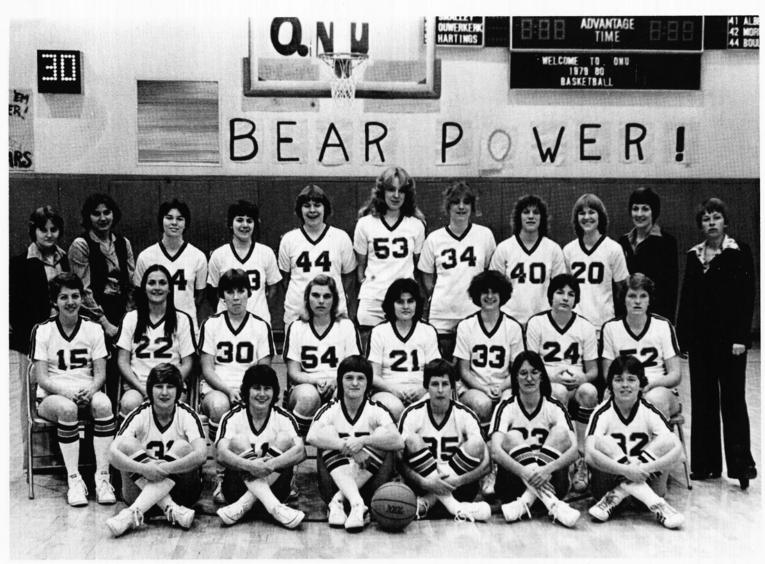

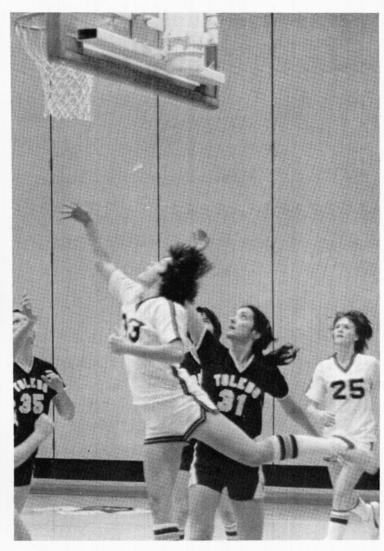

#### Team Places Third

The Ohio Northern University women's basketball team capped off a very successful season with a third place finish in the Ohio Association of Intercollegiate Sports for Women state finals. The lady Polar Bears attained this third place finish by downing Defiance College, 66-58, in the consolation game. Three Ohio Northern players were selected to the all-tournament team: Denise Callahan, Alicia Bell, and Vicki Mauk.

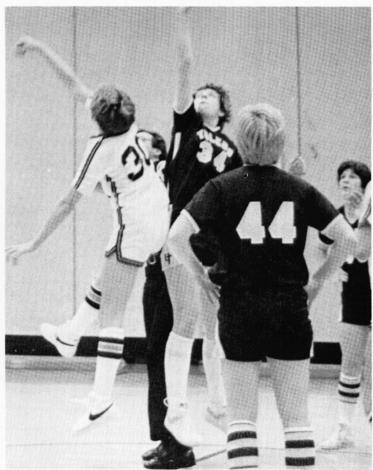

The strong showing at the state finals gives Ohio Northern a 17-8mark and left Head Coach Gayle Lauth extremely optimistic about next season. Of course, at this point, most coaches are optimistic, but Coach Lauth has a lot of substance for her bright outlook. Of the 12 players on ONU's tournament squad, only four were seniors. Also, this past season's junior varsity team was unbeaten in 11 contests, giving Coach Lauth a wealth of talent to choose from next year.

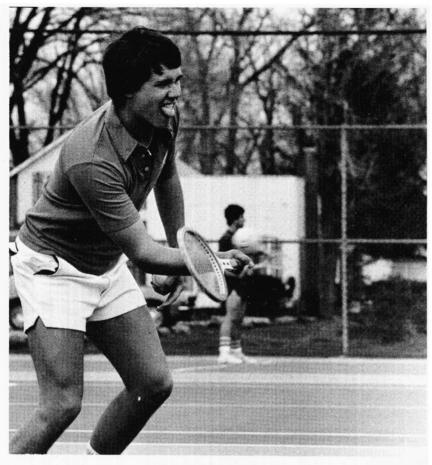

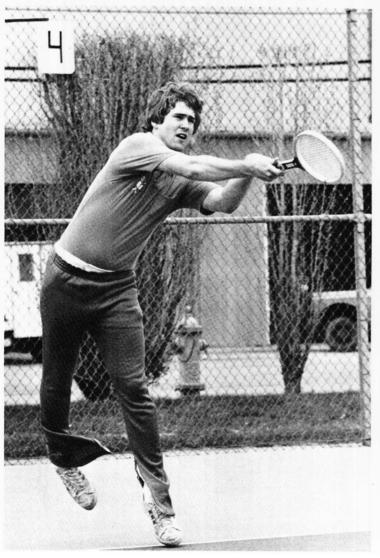

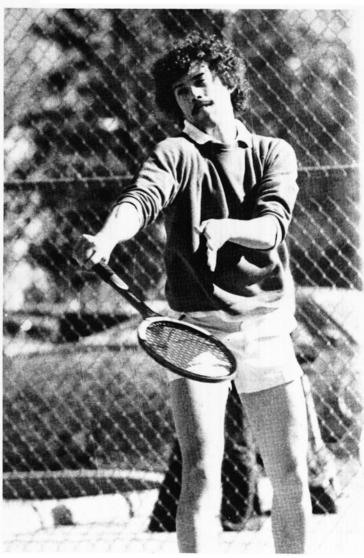

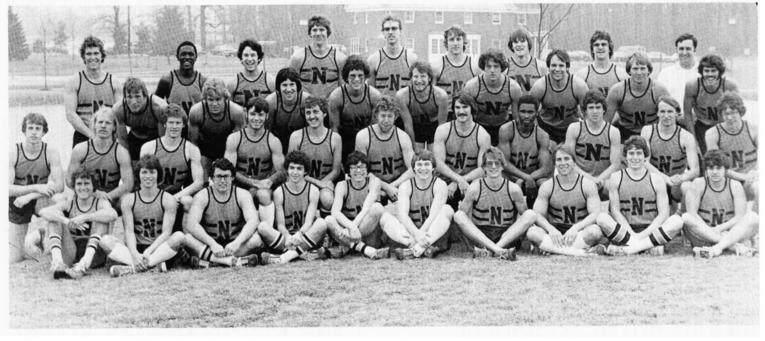

#### Becraft Sets Record

Senior Mike Becraft's record setting performance in the 10,000 meter run at the Ohio Athletic Conference Track Championships at Baldwin-Wallace College paced Ohio Northern University to a fifth place finish.

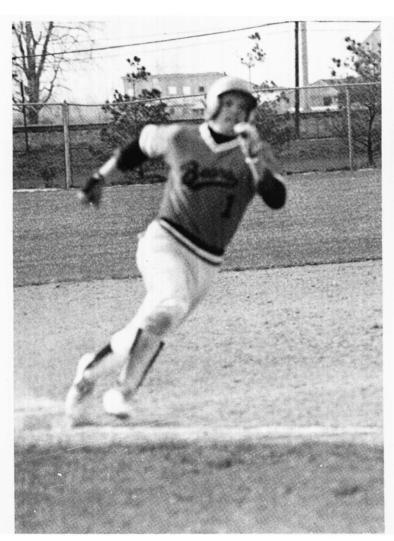

Becraft logged the 10,000 meter in 30:57.2, breaking former ONU runner Matt McGowan's conference record of 31:17.4 set in 1978. His time qualified him to run in the NCAA Division III Meet in Napersville, Illinois, on May 29-31. Also attending the national meet was freshman Jesse Marlow. Marlow finished third in the high jump at the OAC meet with a leap of 6'8", but earlier in the season he qualified for the National meet when he cleared 6'10". That jump by the 6'2" Marlow is an ONU record.

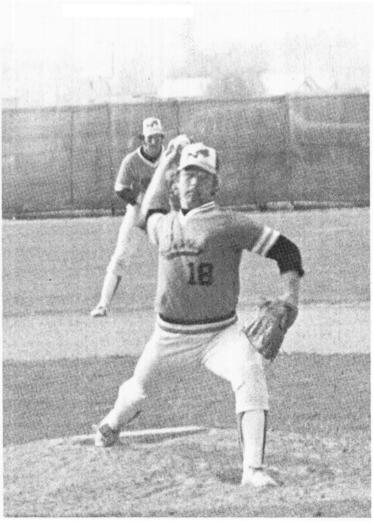

#### UNBELIEVABLE SEASON COMES TRUE AT ONU LIMALAND PRODUCTS MAKE THINGS HAPPEN

ADA — Much of the success enjoyed by the Ohio Northern University baseball team can be attributed to the performances of Doug Rosenbauer, Mark Thompson and Lance Bucholtz. All in all the trio helped set seven single season team records (AB's-1,200; Hits-357; 3B-18; HR-33; SB-155; and BB-154).

Doug Rosenbauer, who was a third team all district IV selection and a second team all Ohio Athletic Conference centerfielder, left his mark on the ONU record books. He now holds the record for home runs in a season with seven and at-bats with 140. He is second in RBI for a season with 31, but freshman Mark Storrer had 32 this season. Doug is now third on the list of doubles in a season with eight.

The centerfielder began the season as the starting first baseman. When ONU's outfield made a few costly errors, Head coach Herb Strayer wasted no time in getting the sure handed Rosenbauer into centerfield. Besides making five outstanding on the run catches in the OAC and NCAA Regional Championships, he fielded a nifty .974.

Mark Thompson, a junior, handled the third base duties.

Batting sixth in the lineup, the switch hitting Thompson set an ONU record for hits in a season with 48. Thompson's .350 batting average was second on the team and played a key factor in his second team all-Ohio Athletic Conference selection.

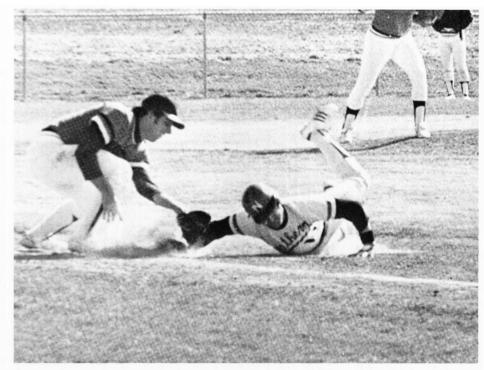

Thompson was third on the team in stolen bases with a perfect 19 for 19. He also scored 25 runs.

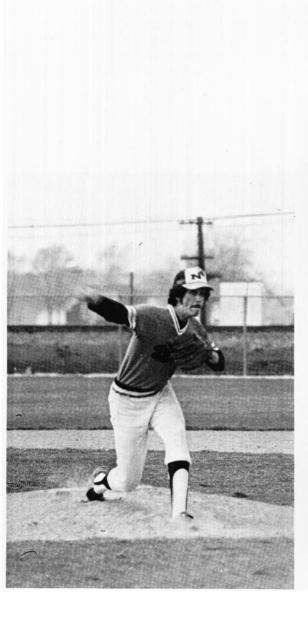

The iron man of the Polar Bears this season was Lance Bucholtz. He caught almost every inning, 300 of the team's 306, this season. The sophomore caught fire in the last part of the season and hit five home runs.

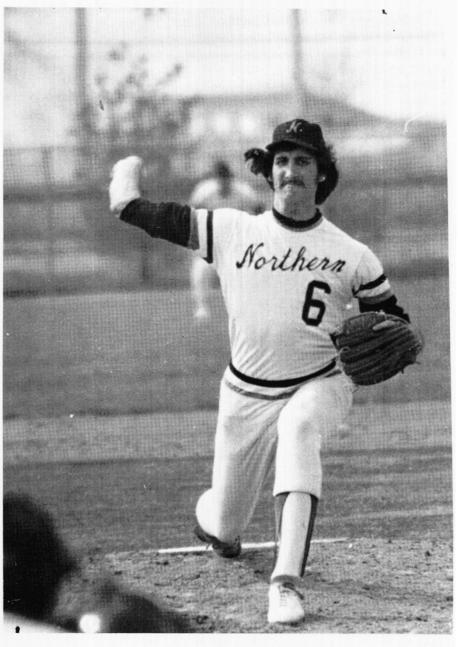

On the season, Bucholtz hit .259 and drove in 21 runs. He moved into fifth on the single season RBI list. Defensively, he threw out 18 of 55 runners. Bucholtz fielded a solid .966.

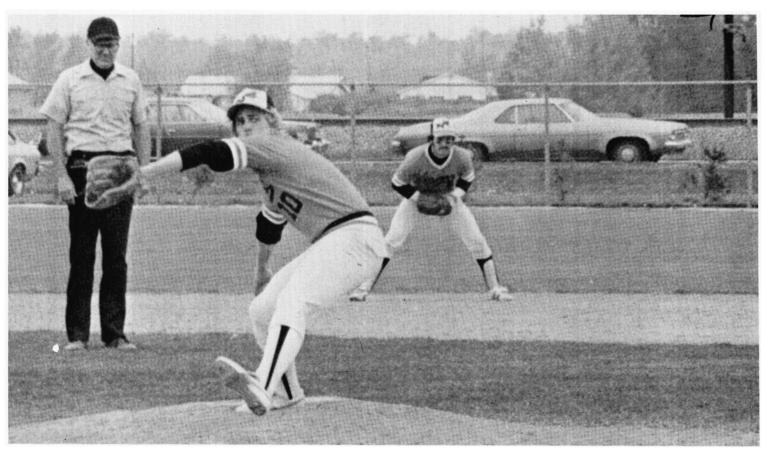

Ohio Northern recorded one of its most successful season ever this year. It set the school (men's]record for wins in a season with 29. The team won the Ohio Athletic Conference Northern Division regular season title for the fourth time in the last seven years. It also placed third in the Mideast Regional.

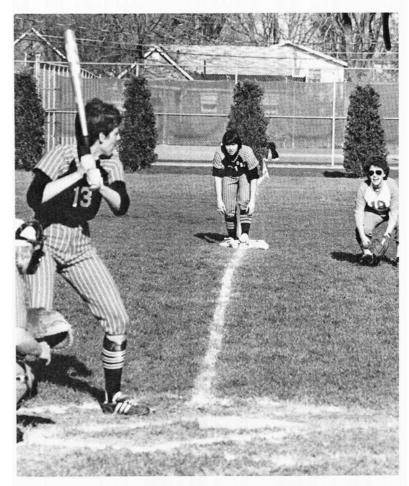

#### Title Comes to ONU

Another fine season has come and gone for the ONU fast-pitch softball team. This marked the second state title the softball team had won in the last four years. ONU finished the campaign with a 15-13 record. The Polar Bears, coached by Gayle Lauth, recorded a 14-5 against other Division III schools.

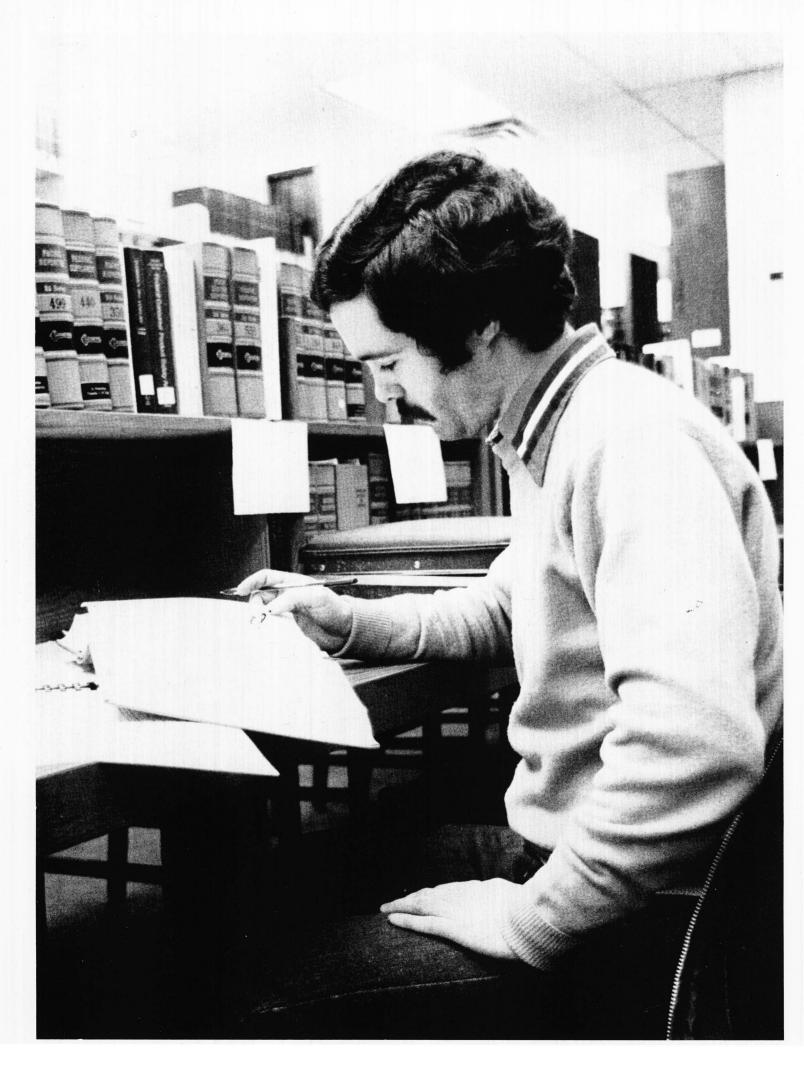

Sophomore Pam Canady was ONU's top hurler with a 9-6 mark. This season the lefthander had some help with the mound duties as Jo Roth, a sophomore, did an admirable job in her first year of collegiate pitching. She had a 6-7 record.

Graduating from this year's team is three-fourths of the infield — shortstop Alicia Bell, third baseman Julie Lenhart, and first baseman Brenda Reichelderfer. The lone loss in the outfield will be Vicki Mauk. This was the first year for separate divisions (Divisions I, 11, 111) in women's softball. In the past, all schools have competed in the same level.

## FACULTY AND **ADMINISTRATION**

Dr. William L. Ankerson Assist. Professor of Law

Lawrence H. Archer Dean, College of Engineering

Dr. Albert Awad Professor of Pharmacognosy

J. Wayne Baker Head Librarian

Joseph Banks Assoc. Director of Admissions

Dr. Ronald E. Beanblossom University Chaplain

Karen Berger Assist. Dean of Residence Life

Dr. Amar N. Bhattacharya Assoc. Professor of Pharmacology

Dr. Bruce E. Burton Professor of Mechanical Engineering

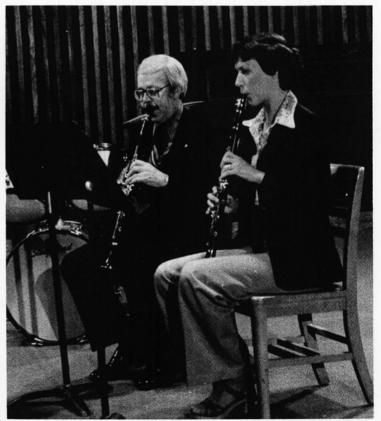

Dr. Daniel R. Butler, Jr. Professor of Biology

Dr. Charles F. Conklin

Dr. Jack E. Corle Professor of Economics Dean of Student Services

Douglas L. Daly Assist. Professor of Mathematics

Gale E. Daugherty Assist. Professor of Health and Physical Education

Laura J. DeGroot Assist. Director of Admissions

Dr. Alan H. Drake Professor of Music

Robert W. Dunne Instructor Phys. Ed.

Randall L. Ewing Instructor in Management

Michael A. Grandillo Admissions Counselor Assist. Professor of Religion

Dr. Paul E. Grosjean

Dr. Howard L. Haight Professor of Chemistry

Dr. Eugene N. Hanson Professor Of Law

Judith L. Harrison Instructor of Music

Dr. Byron L. Hawbecker Professor of Chemistry

Richard L. Hearin Director of Career Development

Dennis W. Herr Assist. Professor of **Electrical Engineering** 

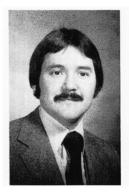

Thomas H. Hill Instructor of Industrial Arts

Dr. Harold H. Hinderliter Professor of Philosophy and Relgion

Dr. Bert E. Holmes Assoc. Professor of Chemistry

Jeff A. Keener Assist. Director of Public Director of Audio Center Director of Admissions Relations

Dwight D. Khoury

Ronald L. Knoble

Nancy E. Kolarik Assist. Instructor of Chemistry

Earl E. Lhamon Assoc. Professor of Mathematics

Dr. Louis F. Lobenhofer

Helen Ludwig Assist. Professor of Law Assoc. Professor of Health and Physical Education

Judy A. MaGaw Assist. in Biology

Dr. John D. Magee Assoc. Professor of English

Dr. Leo R. Maier, Jr. Assoc. Professor of Mechanical Engineering

M. Michele Magier Assist. Director of Student Activities and Organizations

Dr. David H. McGee Assist. Professor of Pharmacology

Dr. Donald E. Milks Professor of Civil Engineering

Dr. George B. Miller, Jr. Professor of Education

Dr. Marlin D. Minich Professor of Civil Engineering

Dolores W. Moore Assist. Professor in Accounting

Dr. Clyde A. Painter Dean, College of Business

Dr. John D. Peterson Assoc. Professor of Music

Dr. Robert P. Price Professor of English

Norman J. Rex Assoc. Professor of Industrial Arts

Dr. Michael J. Rider Assist. Professor of Mechanical Engineering

Michael L. Roberson Assist. Director of Admissions

Elizabeth Roberts Assist. Professor of Speech and Theatre

William L. Robinson Director of Student Activities and Organizations

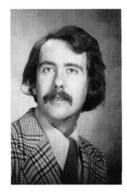

Dr. David Sefton Assoc. Professor of History

Jonathan S. Smalley Assist. Professor of Civil Engineering

John R. Smith Assoc. Professor of Mechanical Engineering

Jeffrey L. Spielman Assist. Professor of Mathematics

Frank Stearns Laboratory Assistant in Biology

Charles E. Steele, Jr. Science Librarian

Thomas H. Stein Assist. Director of Admissions

Dr. Thomas G. Stewart Professor of Pharmaceutical Chemistry

Dr. Wayne A. Theye Director of Counseling

Donald L. Traxler Assoc. Professor of Education

George D. Vaubel Professor of Law

Dr. Esther R. Walden Assoc. Professor of Management

Howard Ward Assist. Dean of Residence Life

David Weimer Assoc. Professor of Physics Acquistions Librarian

Jane Weimer

Dr. Kenneth N. Wildman Professor of Psychology
